Cat Lewis says

Der Band hat sich ein bisschen gezogen und es war mir persönlich zu wenig YuukiXTsukasa-Content...
Aber Yuukis Bloodlust-Training in Kapitel 25 war... awww! Hoffe, die beiden können bald mal beenden,
was sie ständig beginnen. Der arme Kerl muss doch fast explodieren X'D

Amanda Allen says

Nek0 Neha (BiblioNyan) says

?The investigation gets more intriguing as dark conspiracies get more twisted.
?The suspense is quite engaging.
?We learn some backstory on a couple characters that adds more dimension to overall plot.
?Anzai begins blood lust training (that scene was steamy).
?Vampires are very monstrous & don't follow traditional tropes, which is awesome.
?Strong sado-masochistic motifs that may make some folks uncomfortable (but I LOVE it).
?4/5

When you're reading the books back to back, it's hard to give a review for each one. So I will say what I usually say - another good installment. Everything keeps building and that's good. I haven't gotten bored.
