Annie, Get Your Guy Lori Foster

Two stubborn hearts. One remote cabin. Endless possibilities...don't miss this fan-favorite tale from New York Times bestselling author Lori Foster!

Annie Sawyers has been madly in love with Guy Donovan since they shared a few fateful kisses years ago. He's been running from her ever since, and now she's learned that he wants to propose to a woman he doesn't love, for business reasons. She's stood on the sidelines far too long. If this is the last chance she has to prove they'd be perfect for each other, then she'll go all out.

Guy Donovan is horrified to hear that innocent Annie has plans to seduce someone. Especially when he puts the pieces together and realizes that his unworthy coworker is the target. It'll be a cold day in hell before he lets another man touch her—but when a car accident strands the two of them alone in a remote cabin, he's about to realize there's more to Annie than he'd ever guessed...

Annie Get Your Guy

(Annie and Guy) * (one star cause i skimmed so much)

Guy was disappointingly unromantic. After pining for him for the better part of a decade, while Guy took her for granted, I was hoping for more effort on Guy's part. Instead what I got was a comparison of his feelings for Annie to a man losing his glasses because he forgets they are on his head. -sheesh-

Guy has been a member of the Sawyer family since he was a teen, and both of her brothers and himself have sheltered her from sex and men. She is now 24 and tired of seeing Guy date other women and not notice she has boobs too. So she enlists the aid of her new sister in law, the sex therapist from book 1 of the trilogy who had married her stodgy older brother. Annie is comically ignorant of sex, yet straight forward about her new interest in learning more. It has Guy back pedaling and feeling like he is standing on quick sand. There is the complication that Guy intends to ask another to marry him. The OW isn't really an issue except that it highlights Guy's lack of intelligence. Everyone in the family knows he loves Annie, except him. But what could have been an amusing farce, was disappointing because Guy couldn't woo a woman if his life depended on it.

Annie will sich endlich Guy Donovan schnappen. Denn er ist ihre große Liebe und er behandelt sie schon immer wie seine kleine Schwester. Doch jetzt sucht sie Hilfe in verschiedene Sexratgeber, doch wie der Zufall will bekommt es Guy mit und ist entsetzt was sie vor hat. Er glaubt aber das sie es für einen anderen Mann macht.

Wer wollte nicht schon mal seinen Traummann verführen. Doch den Mut haben sie wenigstens, denn was wenn man abgewiesen wird. Annie hat ihr Leben lang auf diesen Zeitpunkt gewartet. Endlich in den Armen von Guy zu liegen. Doch er, so glaubt sie fühlt sich für sie verantwortlich wie eine Schwester, doch auch er fühlt etwas mehr als das für sie. Annie habe ich von der ersten Seite an gemocht. Guy ist ein Trottel, oder sollte ich lieber sagen typisch Mann. Bei der Geschichte musste ich viel Lachen, Schmunzeln und an manchen Stellen war es sehr romantisch.

Pilar Seacord says

Annie has been in love with Guy since she was eighteen. He is a family friend so he is denying his feelings for her. She is planning something to get his attention. Guy gets in an accident and her brother helps her get Guy to a cabin he owns. Was a bit annoying how all the men in her family including Guy treated her like a child even though she is twenty-five. Guy was the most annoying of the bunch and a bit dense. Not as good

as the other two stories.
