The Legend of Perley Gates

William W. Johnstone , J.A. Johnstone

The Legend of Perley Gates William W. Johnstone , J.A. Johnstone

From bestselling authors William W. and J.A. Johnstone comes the fiery saga of Perley Gates, a legend born out of the brutality and violence of the American West . . .

He's the son of a cattle rancher. A restless young dreamer who, under normal circumstances, would follow in his father's footsteps. Normal, however, is not his style. Like his famous grandfather and namesake Perley Gates--a hell-raising mountain man with a heavenly name--young Perley wants adventure, excitement, and freedom. And like his grandfather before him, he will find his dream--in the untamed wilds of a lawless frontier . That dream though might just become a nightmare . . .

After his father's death, Perley strikes out on his own. His first order of business is to track down the grandfather whose name he shares. When he crosses into Oklahoma Territory, young Perley discovers that the trail is full of dead ends--and near-death encounters. Hostile Indians, wanted outlaws, and bloodthirsty killers are just a few of the dangers waiting for him. And the closer he gets to finding the original Perley Gates, the closer he comes to meeting his Maker at the fabled gates they're named for . . .

From Reader Review The Legend of Perley Gates for online ebook

donald cameron says

A good western

I enjoyed the book. Perley Gates is a good character and his trials while looking for his Grandpa kept me turning pages.

Martha Peebles says

Perley Gates

Awesome! Wow, I truly enjoyed this book on the young Perley Gates. But was real sorry grandpa got killed before he could be with his family again. Looking forward to more books on Perley in the future. Thank you Jo Johnstone for a awesome read.

Malia says

Perley Gates tries to find his grandpa, out west to inform him his son has died.

Lutuf Ghantous says

A good story, smooth flow action, not a lot of shooting and killing. Liked the personality of Perley and his politeness, humanity, and the way he carried his life. The story is compelling and very difficult to put down, however I did not like the ending...killing grandpa after all the trouble in finding him was not the climax I was looking for.

Ron Hartley says

This was actually a very good book. It was a fun story, a little light-hearted, and has a very likeable hero.

Sort of reminded me of the guns of Will Sonnett somewhat. The grandson is looking for the grandpa, to let him know Dad is dead. During his journey finding his grandfather, he has a number of Adventures, and of course he saves a few damsels in distress.

Really worth the read I hope there's a second book to come

Jerry Blackerby says

I really enjoyed this new one. I hope there are additional stories about Perley Gates.

Matt Anderson says

Looking forward to book #2 when it gets published.

Realtime says

Loved it!!! What a great character!!! Funny and a good story line. Cannot wait for the next in the series! Highly recommend!

Lorrie says

I won this book as a Goodreads giveaway.

This is the second book by William Johnstone that I've won here on Goodreads, and while I'm not a regular reader of Westerns, I was expecting a whole lot more out of this book than I got. I found that most of the book was just the same scenarios repeating over and over again. Perley finding someone, returning/delivering her to someplace, then moving on only to have the same thing happen all over again someplace else. The book just sort of plodded along with no real direction most of the time. And on top of that the ending was about as anticlimactic as it could have been considering the time and effort Perley spend trying to find his grandfather.

On top of all this, all the head-hopping got really trying to read; it was actually worse than a romance novel for not sticking to one characters thoughts from one sentence to the next.

Amy says

I Loved The Legend of Perley Gates. What a fabulous read. I give it a well deserved 5 plus stars.

Peggy Barnett says

Very good book very easy to read it was hard to put it down . Thank at work as always , Johnstone

I chose this book because it was a Johnston book . The story was good and it was easy to read . I rated this book a 5 looking for the next episode of pearly gates

Jodeane D. Ramsey says

Can't wait for next book in series.

Dennis F. Hyde says

Perley Cates

A great and entertaining read. I am on the way to my computer in hopes of finding more stories of young Partly Gates. This is one of those books you can't put down. This book is refreshing. Not the usual fast draw "shootem ups". One of the best western stories of my some 500 books in my saloon. So, Giddy Up.
