What Love Is Tyra (PHR)

Mahalaga kay Anise ang Liberty Hotel account na malaki ang maitutulong sa career niya bilang architect.

What she did not expect was that once she got the account, her world would turn upside-down and she would meet Cain Ledesma who would sweep her off her feet. Pero hindi si Cain ang tipo ng lalaki na naniniwala sa pag-ibig at hindi naman siya ang tipo ng babae na susugal sa isang walang kasiguruhang relasyon.

But when she got sick, Cain was there to take good care of her and no other person had ever done that to her. She could not stop her heart from falling for him pero handa na ba siyang sumugal sa buhay kasama si Cain na ang tanging nararamdaman sa kanya ay matinding physical attraction?
