## From Reader Review The Dara Nichols Series 1-8 for online ebook

### Ange says

I got the first book in the series, A Hard Lesson, as a freebie. I read it. I loved it. I had to find out what other naughty erotic situations the University Professor gets herself in to! So I bought the bundle, books 1-8, and read them in one sitting because the plot's as minor as they maybe, were good!

And Oh boy! They are HOT! They are explicit! They'll make your toes curl for sure!

If explicit sex scenes offend you, don't bother to purchase, but if you're looking for some short stories that'll rock your socks off, then the Dara Nichols Adventures are for you!

### Erica says

Okay these stories are not for the faint hearted, they are beyond HOT!!!

Dara Nichols is an educator that gets more than she bargains for in a number of scenarios.

The first story (A Hard Lesson) is about getting taught a few sexual lessons by her own students. I loved this story. It was told brilliantly. The characters are hot and the story is sexy as hell. The story is basically an erotic thrill, and is told beautifully.

The second story (To Protect and Service) involve Dara Nichols being pulled over for talking on the phone while driving and gets stopped by officer hot stuff. I mean who has not had this fantasy to get out of a ticket hehe. After a little episode with the first cop two others arrive - Read it I wont spoil it for you.

The third story (The Thirteenth Floor) Dara goes to a work conference and gets a view of the 13th floor. Hello French boys with and Italian friend talk about European candy. This starts out as three lovers and quickly becomes five. These men have been given a heads up on Dara through Ryan from the first story so they know what they are getting Dara doesnt but shes not dissappointed. This one is a Scorcher!!

The fourth story (The Boardroom) the three students from the first story are back and this time they've bought the President of the University that Dara works for who decides she needs to be disiplined for her actions in the first story with the students. Craig Taylor (President) decides the best punishment is for him and the students to have her on the Boardroom Table. The re-introduction of former lovers is excellen. Another Sexy installment.

The fifth story (The Four Whoresmen) Dara goes on a short holiday to a Ranch and Hello Ranch Boys even the dad sounds Hot. This story has a bit of everything bit of group action bit of spanking. Definately a HOT story and one of the best so far what an adventure, I cant wait to see what happens to Dara next.

The sixth story (The Masquerader's Balls) Dara goes to a party where all are masked with her friend Zoe they are cornered by a few masked hotties who take them on an erotic masked adventure. This installment is strike a match HOT!! you never know what is going to happen next and Dara loves every second of it. The inclusion of her friend Zoe in this story was a scorcher of a decision. Each story gets better and better what will happen next.

The seventh story (The Ball Player) Dara is at the gym and after showering and on her way out she bumps into two hot gym guys and yes they get it on then in walks the janitor and gets himself a piece. Really enjoying this story so far Dara gets more and more adventurous through the installments

The eighth story (The Cock Tale) President Taylor finally gets his due when Zoe and Dara attend his Cocktail party and become the aggressors/dominants. This story was sexy and hilarious I love how Marata throws in a little humour. In this story even a little blue pill makes its debut. The only thing missing from this story was The college boys would have loved them to be in this last story.

I cant see how Marata keeps coming up with this stuff no two stories are the same

Although these stories are a lot naughtier than Im used to reading the stories themselves are quick and to the point and they get to the heat of it soon enough.

Marata Eros has the amazing ability to write an excellent erotic story with plot and HOT!! scenes. If you like these stories you will LOVE her Druid Breeders Novellas they are Awesome

#### DNF

I could not finish this book - don't get me wrong....it was fantastically scrumptous during the first and part of the second story but how many stories in a row can you read about gang bang sex?

Geez, when I read the first story I was so ready to break out my B.O.B. and go to town - that story was freakin' AWESOME!! I was so aroused - even more so than watching JAX's naked coolie on SOA!

Then I got to the second story and for a bit it held my attention and yeah I was turned on but it was the same thing over again....

By the third story I just couldn't take it anymore - yeah it's erotic and stimulating but it was the same...Darla getting gang banged by 3 or more and getting all her holes filled with seeping cum.

The author does have a knack for writing erotic stories, but I'm sorry - I just couldn't do it anymore.

## Crystal says

These book are hot or is it just me. Dara Nicholas Adventures are short and steamy stories with alpha males that aim to please literally. My blood pressure just went up a notch just thinking of the luscious studs. Each erotic tale takes you deeper down the rabbit whole of pure bliss. The sex scenes are off the charts and left me panting. There were moments when I had to go back and read and then re-read the paragraphs again because I just couldn't get enough of the eroticism. Marata completely explores Dara's sensuality and the freedom of giving and receiving of sexual gratification. All I can say is that I had a chance to live vicariously though Dara experiences which gave me the opportunity to cut loose and live in the moment of the story.

## Lucretia Bonmot says

I got the first story as a freebie and liked it enough to buy the bundle. That alone says something.

It takes skill to describe a gangbang with enough clarity to ensure the reader knows exactly whose stuff is going in what hole at any given moment. Marata Eros pulls this off most of the time. Good on her.

I will say that some of the sliding underneath and climbing on top and bending this way and that left me a little confused at times, but hey, for all I know, Dara was a contortionist before she became a teacher. Regardless, it's not like I'm reading gangbang stories looking for realism.

I think the series is fun, and I enjoyed it.

A great collection of short, hot (did I say hot?) crazy sexscapades that have given me some great ideas! I absolute love how unabashedly assertive this character is. Fun sexy, erotic, and idea provoking stories that I have already re-read! Can't wait to read Zoe's stories!
