And Daddy Makes Five

Rust Creek Ramblings

In a town as small as Rust Creek Falls, it would be hard not to notice the new millionaire on Main Street, even if he wasn't drop-dead gorgeous. But bachelor Autry Jones does not disappoint—he's every bit as handsome as his settled-down brothers Walker and Hudson. However, this business-minded CEO not only shies away from commitment, he's also heading for Paris in a month. So why is he keeping company with Marissa Fuller, a young widow with *three* daughters?

Marissa and Autry have made a "no-strings/just friends" agreement, but Abby, Kiera and Kaylee clearly have other ideas. Can a dedicated tycoon find happiness with a mom and her kids? We here at the *Gazette* are hopeful. Some contracts were made to be broken!

Jack says

Only thing that bugged me on this was she had 3 children and the book only shows 2. I also liked the ending cause it seems alot of these stories they end up where they fall in love.
