Claudia Breeding says

Very enjoyable we escape for me.

Right now I'm really into historical romance. I just can't get enough. Especially in the Midwestern states. I try to read series most of the time.

Traci De carlo says

Booklover says

I liked this book also Ethane-Holly both were good characters and the chemistry between them was good, liked the way their love bloomed inspite of Ethane always going 2 steps back when ever Holly tried to barge in the walls he had erected

But after all hurdles finally Ethane accepts his love for Holly and the baby and Holly's patience n love wins

Good read
Recommend it

Catherine says

A very sweet romance with all the trapings of a silhouette read. I'll be reading more from this author.
