## From Reader Review Richard Scarry's Lowly Worm Storybook for online ebook

### Heather Richard says

The sentimentality of rereading Richard Scarry is overwhelming, but the stories are also good, too.

---

### Sue Felts says

This makes Emily laugh all the time!

---

### The Brothers says

Cute stories from Scarry's wonderful world of animals.

Great illustrations - lots to look at per normal!

---

### Peter Macinnis says

This was one of my favourites when my children were young, and one of theirs as well. In fact, we consumed a cart-load of Scarry. Soon, I can start again with my grand-children!

---

### Amy says

Popularity/appeal rating: 5

Quality rating: 5

In a one-sentence nutshell:

This gets all-around 5s because these were some of my favorite books as a kid. I definitely remembered "The Talking Bread" (classic) and "Mr. Fixit." But my favorite line in the book came from "The Three Sitters," a story I didn't remember:

*POP!!!!*

*The oven door burst open.*

*The fudge had exploded!*

*RUN! RUN FOR YOUR LIVES!*

---

JE-Sca

---

## **Sally says**

Richard Scarry was one of my all time childhood favorite author/illustrators.

---

## **Matt Garcia says**

The illustrations were nice but the stories weren't very good.

---

## **Cindy says**

Another great Richard Scarry book. This is a collection of several stories all featuring Lowly Worm and his friends. My favorite story is the Talking bread. Little Flossie visits her dad at the bakery and loses her doll. She doesn't notice that it's missing until she bites into a fresh loaf of bread! My son likes Mr. Fixit and Absent-Minded Mr. Rabbit. Richard Scarry books always have so many interesting illustrations that it seems like there's always something new to look at. Great book to read with your kids.

---

## **Cara Byrne says**

This is another paperback from my childhood that I love to share with Lu and Ri. From "The Talking Bread" to "The Three Sitters," all five of the stories are silly and lighthearted, while they simultaneously focus on a community made up of animals that care for one another and help each other - no matter their species or their deficits. Lovely and fun.

---

## **Martha says**

Lowly Worm cracks me up, and he makes my daughter shriek with laughter. Lowly Worm wears one shoe, because where would a second shoe go on a worm? He has a little trick for eating, because he is polite and wouldn't think of putting his worm "foot" on the table. He is earnest and dependable, and always ready to help a friend. He seems to be present whenever disaster strikes. Our finding him to be so hilarious might be a matter of taste, but IMHO it's worth taking a chance. There are some other very funny little stories in this book, and really, all of Richard Scarry's books are brilliant and so much fun.

---

## **Holden Stremick says**

I really like Lowly Worm. I laugh every time I see him. My favorite parts of this book are the airplane, the clock, and the ball. I think if you read it you would also enjoy the airplane, clock and ball. My mommy likes the part where Lowly Worm takes a bath, because c'mon... that's just funny.

---

### **Meg McGregor says**

Fans of Richard Scarry will be delighted with this book containing five stories featuring fan favorite, Lowly Worm.

My favorite was the Haunted Bread. Very cute.

---

### **Jeanne says**

Every child and parent wants to find Lowly on each page -- he's always there somewhere, so it's a great game and read!
