The Sex Bible: The Complete Guide to Sexual Love Susan Crain Bakos

The Sex Bible is an authoritative, comprehensive, and beautifully photographed sex resource book that provides in-depth treatment of sexual topics in frank detail. The book is arranged into different sections, for example, "Foreplay", "Sex Toys", "Oral Sex". It explores sexual subjects you are either familiar with, or until now, never even knew existed. Couples will be captivated by personal anecdotes interspersed throughout. Illustrated with full-color photography, *The Sex Bible* will not only educate its readers, but help heighten sexual enjoyment.

Lennie says

How do I actually read the book?

Clorinda says

One of the better ones. The photos are very well done. The appendix in the back is pretty good as well. I own this one and have given it as a gift.

Lennie says

Idk how to read the goddamn book, is that possible here?

Stephen Chung says

A nice picture-album book.
