Splat the Cat is always a favorite with either my granddaughter or my grown special needs son. In this one Splat is helping rake leaves but he and his friend Seymour start playing in the leaves so mom sends them to pick the 'perfect' pumpkin to put on their porch. So they set out to find one. They do and the adventure to get it home is great!

Maria says

Splat the Cat loves the fall weather! It is his favorite. One day, his mom asks him to help her rake the leaves. He really enjoys raking them but when he's finished, he can't help but jump in them! His mom decides she has the perfect job for him. She sends him to go find them the perfect pumpkin. Scat goes on an adventure! He searches everywhere for the perfect pumpkin. Some are too small, some aren't round, some aren't even orange! Finally, he spots the perfect pumpkin and he is so excited. It is so big, he will have to roll it home. It took a lot of hard work but he finally made it. His mom was so thankful for all of his hard work and loved the pumpkin.

I thought this was very cute.

I would read this book during the fall, especially if we were about to go to the pumpkin patch.

How can I not like Splat? If I were I little kid I would force every adult to read a Splat book to me. In fact, I may still do it. Ha ha!

Ladybird says

Multiple reads super cute.

Margaret Chind says

I have to admit that Splat the Cat is growing on me, as at first I was not quite a fan. The "Pumpkin=Picking Plan" is a great read for the fall season and pumpkin harvest time. Be it for just the fall overall, or Halloween, or Thanksgiving this is a good one to bring off your shelf for the early easy readers. First Splat experiences the enjoyment of jumping in a pile of raked leaves, until his mother sends him off on an errand to find the perfect front porch pumpkin.

Then off he goes, and the book transforms into the perfect precursor to a pumpkin patch field trip! All sorts of activities are mentioned and then of course in typical Splat style, chaos reins and he's off on a tumbling adventure...

Thanks to HC.

Splat the Cat and the Pumpkin Picking Plan by Rob Scotton: Splat needs to find the very best pumpkin at the pumpkin patch. The best pumpkin is also the biggest, and how does he get it home? We do enjoy Splat the Cat and this one is as cute as the others.
