Fluid Mechanics

Russell C. Hibbeler

Fluid Mechanics Russell C. Hibbeler

Fluid Mechanics is intended for use in Fluid Mechanics courses found in Civil and Environmental, General Engineering, and Engineering Technology and Industrial Management departments. It also serves as a suitable reference and introduction to Fluid Mechanics principles. **Fluid Mechanics** provides a comprehensive and well-illustrated introduction to the theory and application of Fluid Mechanics. The text presents a commitment to the development of student problem-solving skills and features many of the same pedagogical aids unique to Hibbeler texts. MasteringEngineering for *Fluid Mechanics* is a total learning package that is designed to improve results through personalized learning. This innovative online program emulates the instructor's office-hour environment, guiding students through engineering concepts from *Fluid Mechanics* with self-paced individualized coaching. **Teaching and Learning Experience** This program will provide a better teaching and learning experience--for you and your students. It provides:

Individualized Coaching: MasteringEngineering provides students with wrong-answer specific feedback and hints as they work through tutorial homework problems. **Problem Solving:** A large variety of problem types stress practical, realistic situations encountered in professional practice, with varying levels of difficulty. **Visualization:** The photos are designed to help students visualize difficult concepts. **Review and Student Support:** A thorough end-of-chapter review provides students with a concise reviewing tool. **Accuracy Checking:** The accuracy of the text and problem solutions has been thoroughly checked by other parties. **Alternative Coverage:** After covering the basic principles in Chapters 1-6, the remaining chapters may be presented in any sequence, without the loss of continuity. **Note:** You are purchasing a standalone product; MasteringEngineering does not come automatically packaged with this content. If you would like to purchase *both* the physical text and MasteringEngineering search for ISBN-10: 0133770001 /ISBN-13: 9780133770001. That package includes ISBN-10: 013277622 /ISBN-13: 978013277629 and ISBN-10: 0133820807 /ISBN-13: 9780133820805. MasteringEngineering is not a self-paced technology and should only be purchased when required by an instructor.

Fluid Mechanics Details

Date : Published March 13th 2014 by Pearson (first published March 3rd 2014)

ISBN : 978013277629

Author : Russell C. Hibbeler

Format : Hardcover 928 pages
