Kismet K.A. Poe

Beware. Sometimes you get what you ask for.

Sixteen-year-old Madison Banner had the perfect life: a good home, great friends, and loving parents. Everything was normal, until she overheard that she had been adopted.

After confronting her parents, Madison was left with more questions than what had been answered. Rules were set. She would be told the truth after she graduated -- two years.

As Madison pries into the secrets of her heritage, she discovers more than she ever bargained for. Strange things begin to happen. Dreams of a mysterious nightly visitor seem all too real. A power within her awakens. There was more handed down through her DNA than dark hair and purple eyes. She has been given a destiny, whether she wanted it or not.

Kismet is the first novel in the follow-up-series to K.A. Poe's Nevermore, but can be read as a stand-alone series. This novel is approximately 70,000 words in length (340 pages).

Forevermore

Loved this book didn't even realize it went with never more series at first ..but makes it all the better I will continue this series

Helene says

That was much better than Twin Souls. I am so going to read Catalyst next as I am very curious about Salem and Liam alias Silas.

maribel says

Aaahhhhhh

loved it! Such a freaking cliff hanger but such a good beginning to the sequel of the never more books....can't wait until the 2nd book of this new forevermore book comes out

Rosa Munoz says

Loved it

Have every single one. Every day I look to see if any new one has come out so I can get it

Tanya Johnson says

Madison thought her life was normal but that all changed the day she found out she was adopted but that was just the beginning.

This is the first book in a series and I have to tell you I am looking very forward to the next books in this one. This books was so hard to put down as the storyline as well as the characters were great! K.A. Poe pulls you into the story and you feel every emotion and that you are actually there making it way too hard to put the book down! This is a great start to a fantastic series!!

Amanda says

Love how things are turning around for Alex in this series and my heart goes out to Maddison. Loving these series!
