THE KILKENNY SAGA

Louis L'Amour

THE KILKENNY SAGA Louis L'Amour
TWO KILKENNY NOVELS FOR THE PRICE OF ONE!

The original novels that made L'Amour's Kilkenny a legend uncut and unaltered. The way he originally wrote them before his paperback publishers mandated changes. The first novel, The Rider of Lost Creek, features the mysterious gunfighter, Kilkenny, riding to the aid of a friend whose small ranch caught in the crossfire of a brutal range war. In the second novel, A Man Called Trent, he has changed his name and retired to a small cabin in the wilderness – until killers target his best friend's children. Action, romance, and authentic western lore make these two of the strongest western action tales Louis L'Amour ever penned.P5

Philip Reiter says

as always. a lamour story is a great matinee read. he is a good story teller, but will never achieve the level of a Jack Shaffer or a Claire Huffaker.

Mustang USMC says

Typical of L'Amour; excellent entertainment.

Good Book

Another good book for the Kilkenny Saga. This is the 13 words required to finish the required words to publish.
