**Study Skills for Students of English as a Second Language** Richard C. Yorkey , Richard Yorkey

In this classic text, high school through college-level students get complete instruction to prepare them for academic study in programs where English is the language of instruction. When you use it in either your regular ESL class or a study skills class, you can be sure that your students will learn the practical skills they need to succeed in an English speaking, academic setting. Study Skills for Students of English includes sections on how to use a monolingual English dictionary, study for and take examinations, and read for comprehension. The text also covers the art of note-taking and development of writing skills.

## From Reader Review Study Skills for Students of English as a Second Language for online ebook

### Toofan says

In a nut shell **it is terribly outdated** and does not suit the needs of this area. The only part which is still usable is the chapter about word formation, though much better information on this subject can be found on the web.

### Stiven Klark says

Good for learning skills

---

### Michelle Kotko says

Have you ever wondered how to learn English faster? This book helps you with the study skills you need.

---

### Dunya Al-Mishqab says

I've taken this book for Study Skills course in college. It has many drills, Wouldn't work without an instructor.
