The Last Offer Chasity Bowlin

Miss Olivia Dunne was the darling of society until a thwarted abduction and elopement scheme by an unscrupulous man left her reputation in tatters. But having moved from paragon to pariah, Olivia realizes that there is no reason for her to continue abiding by society's mandates. In fact, she decides to embrace her scandalous nature and do the very thing she's been accused of... take a lover. The man she's chosen is one she's secretly loved for years, but she'll need to employ the aid of an unlikely ally to carry it off.

Lord Burke, Viscount Holland, has loved Olivia for years. He even offered for her once, only to be summarily dismissed by her older brother, his oldest friend. With his pride still stinging, Burke is confronted with the horrible truth that Olivia had never rejected him at all. Her brother never told her of Burke's interest in her. But if he tells her now, she'll take it for pity and reject him out of hand. The only way to make her his wife is to first accept her offer to be his mistress.

But not everyone wishes to see the couple achieve a happy ending. Some will do whatever it takes to keep them apart. Can true love prevail or will pride and greed conspire to keep them apart forever?

This is a novella (not a novel) of approximately 30,000 words, which is half the length of a typical novel. It is however a complete story with no cliffhangers. It's a perfect read for when you don't have a lot of time to invest.

Virginia Tican says

A deliciously hilarious read despite my issue on Olivia's annoying shilly~shallying regarding Burke's offer of marriage. For a woman ruined in the eyes of society and forced to re~invent herself and her options/priorities in life, she is remarkably obtuse with regard to the reality of her situation. Unless she wants to live outside England and on permanent exile, the only option (if she wants children despite being freely scandalous) is marriage to her lover. At least, in that aspect (within the confines of marriage) both of them can turn the ton upside~down by their unorthodox lifestyle with impunity. All in all, it is still a Fun read.

Loved this story with some nice angst. The h has been judged harshly for something beyond her control and her overly proud brother made things worse. The h rescues herself and once she gets off her high horse, she then rescues the H who is so much in love with her. They are good people who overcame their mistakes.

Ann Gonzalez says

Short, sweet, and hot

This book was a delightful read. It was a quick read, but was complete. There are a few errors, nothing to awful. I really liked the characters. Especially Burke. I could have read more with him as the main character. I would like Alegerton to have his own book.

This is my second book by this author. Beast of Bath is a good read.

Vickie says

Not bad but I feel I have read this same plot thousands of times and its just not fresh anymore. I am an avid reader and its probably just me, but it seems that there are no new plots and plot twists are just engineered to add pages and not real content. This was a good attempt but not as good as I expected.

Maybe if the author had gotten to the point and then let us in how they handled the Ton after the wedding it might have been more interesting and meaty. But as it is, it was just 'meh'.

Candace Nagy says

A very romantic and fast paced story. I adored the hero, and heroine. The story line was fun and it was very well written. A little predictable in places but an otherwise fantastic read.

This is my first Chasity Bowlin story and I totally loved this story. My first love of reading was historical and this took me back. Olivia's reputation is in tatters, she will never make a decent marriage, so she decides to go all out and have a great adventure, by taking a lover. And she decides it will be Lord Burke.

Lord Burke has always had special feelings for Olivia, but when he made his offer for her, it was turned down, unbeknownst by Olivia. A grand affair is begun but not before the villain sets out to get his hands on Olivia, well more like her money.

Great characters, vivid imagery created by the author, most of all a great love story that I highly recommend!

I voluntarily reviewed an advanced copy of this book.

Sandra Tomas says

Great short story,

The story was good, it kept your interest.

The characters, fit there parts.

And it's always good reading when a hero,s involved, exspecially if he gets the damsel .

Thank you! ♥?

The Last Offer is an amazing book by Chasity Bowlin Ms. Bowlin has delivered a well-written book. Her characters are outstanding, my favorite thing about the book. Burke and Olivia's story is packed with drama, humor, sizzle, action and suspense. I enjoyed every page of this book and look forward to reading more from Chasity Bowlin in the future. This is a complete book, not a cliff-hanger.

I voluntarily read a complimentary copy of this book that I received from Instafreebie.

Janet Overstreet says

This was a well written historical romance by Chasity Bowlin. Her writing made me feel like I was transported back to that time period. I loved that Olivia's character was such a strong women for the time. And nothing is better than a happy-ever-after; especially when some many things may be against you.

I would recommend this to anyone who would like to read a wonderful historical romance.

Debbie DiFiore says

Love this author!

My only criticism of this book is that I wish it was longer. It's very short but I loved the H and his devotion to olivia. She was a little aggravating at times and I just wanted her to say yes and marry Burke. But it all came out it okay. I have read all this author's work and I can't wait for her next novel.

Sarah Black says

[Unknown to her, he's the man that saved her life and has loved her helplessly for years. He always thought the feelings he harboured where never mutual...boy was he wrong. (hide spoiler)]

Dana Garland says

What a great read! This is another amazing historical romance by Chasity Bowlin! I was drawn in from the very first page. I didn't want it to end. The story is far from the typical, predictable story line. I love the strength Olivia shows to go after what she wants in life and not let anything stand in her way!! This is a great read. I highly recommend it!

Lia says

A very good romance! I loved everything about this book.

Will you ever get that one chance to be truly happy? Olivia knows that she will never be accepted by the ton again now that they all think that she is a fallen woman. She did nothing wrong but they don't believe her just the lies. She only sees one way out and that is to find a lover that will teach her and care for her. She has chosen some men and she needs her brother's help. He can't believe that she is asking for his help in choosing her lover but then again he does owe her. She doesn't realize it but there was someone that wanted her as his wife but her brother turned him down.

She has chosen a dear friend Burke to be the one but what will become of them? As Burke is the very man that wanted to marry her. Will he agree to her plan or will he down her away?

But Olivia is in harm's way again someone wants her dowry and they will stop at nothing to get it. Can

Burke save her again? Will they ever find happiness together? A great read.
