American Government in Black and White: Diversity and Democracy, Third Edition, is a unique introduction to American government that uses racial and ethnic equality as its underlying theme. Authors Paula D. McClain and Steven C. Tauber address issues of inequality in major facets of government, including the U.S. Constitution, key American political institutions and instruments of political behavior, and the making of public policy. Engaging the original voices of racial and ethnic actors in our nation's history, they show students how to measure and evaluate the importance of equality in America, from its founding up to today. **The third edition has been thoroughly updated to cover recent political events, including the 2016 presidential election campaigns and outcomes.**
