One stolen kiss...

Nurse Megan Wheeler won't let *that* passionate kiss, or the way she feels about Jaye Perera, ruin her dream job. Yes, he may be a duke, a doctor and devastatingly handsome but he's also her future boss, and that's a boundary she won't—*can't*—cross!

But working side by side under the Sri Lankan sun is a delicious torture. One that reveals to Megan a different side of guarded Jaye... After the hurts they've both experienced, can they learn to trust in love again?
