Annie Burrows says

This is the best book I've read for ages (and I've been in bed with flu so I've been reading a lot! And I won't tell you about the books I've had to skim to the end, or fling across the bedroom in disgust) The action started straight away, and plunged me into a tale of action, adventure and romance that kept me gripped right to the end.

Honesty policy - Michelle Styles sent me an advance copy of this book, and I am already a fan. But reading this just confirmed WHY I am such a fan of her writing!

Frankie Reviews says

Oh, my!! What a fantastic read, I do have a real soft spot for Medieval/Viking Romances and this is terrific. Warriors Viking Bride is a edge of seat, seductive read that captures your imagination and takes you on a wonderous journey through a time that was dangerous but also highly sexy. I have read so many great thing's about Michelle Style's writing and I am ashamed to say that this is the first of her work I have read, but that will be remedied from now on as I have become transfixed with her smooth and articulated writing

The relationship between Dagmar and Aedan is steamy and raw, they are actually very much a like and those similar traits does cause them to head bump each other, on numerous occasion's and yet when they start to learn each other's history and personal trails, they have a mutual respect for each other. But that doesn't mean that everything is going to be all rosy, Aeden and Dagmar have a lot of obstacles to get past.

Ms Styles has created an original and I found it to be a very moving story about moving on, and second chances. The storyline is a wonderful blend of romance and action with that seductive and mysterious quality that you only get from the Medieval era. I think Ms Styles has got Aeden and Dagmar spot on, they are both highly charged individuals who need the other in each of their lives.

This is so good, I cannot recommend it more.

Harlequin Books says

"No one does Vikings better than Michelle Styles. *The Warrior's Viking Bride* is a passionate romance between a Shield Maiden and a Gael warrior, who find love amid danger and betrayal. Styles' attention to detail will captivate readers, as will her powerful characters and elaborate plots" (4 stars @ RT Book Reviews).

Greta says

I love Dagmar and Aedan! Dagmar is a fantastic, multi-dimensional heroine whose vulnerability unfolds slowly as she falls for sweet, sexy Aedan. Styles delves into the powerful psychological forces of doubt and distrust masterfully, keeping me turning the pages, and delivering a wonderfully satisfying ending. Awesome

book!
