### One Man's Family (Logan's Legacy Revisited, Bookk 5) Brenda Harlen

When Children's Connection nurse Alicia Juarez came to private investigator Scott Logan's door, she was desperate: Her brother was in jail for a crime she was convinced he didn't commit, and his two kids were left in her care.

Though he swore he wasn't much of a family man, something in the passion of the lovely woman begging him to help her got to Scott. And soon Alicia and the children became his priority in a way he never thought possible. He'd vowed never to get involved with a client. But his growing feelings for Alicia had him contemplating taking an altogether different kind of vow....

### **Kitten DeMortimer says**

Wished a man like Scott Logan really existed!!!!!!!!!!

### **SaN~ says**

Love Scott Logan directly just from the name itself, and luckily he did live up to it. Alicia was also a very strong type of heroine who would do anything to protect her family. The suspense was a very good one. Usually the focus was not there but this was perfectly proportioned between the romance and suspense. Afterall this was a very good read.
