Halloween and Egypt and mummies . . . oh, my! I admit it, I am a 'fraidy mouse. Halloween scares me out of my fur! But this Halloween, I was heading off on an adventure in one of my very favorite places: Egypt. I couldn't wait to see the sights and soak up some sun far away from New Mouse City. What I didn't realize was that Halloween is popular in Egypt, too -- with the mummies, that is! Oh, what's a 'fraidy mouse to do?

Sara Hernandez says

This book was funny because Geronimo is a scaredy mouse and he gets scared easily so since they're in a haunted museum he gets scared a lot and it is really funny how he faints a lot and I'm pretty sure that all my reviews are the same but that's just what I like about the book that are Geronimo Stilton [that they're funny].

The mummy was actually the shadow. The shadow is Sally Ratmouzen's mysterious cousin.

I just finished reading Geronimo Stilton, The Mummy With No Name. I liked it because there was a Mummy going around the museum trying to scare everyone out! If you have to type in numbers to rate it I would type in 500!

My favorite part was when they got trapped in a trap door and Geronimo Stilton found a way to get out. The characters are Geronimo Stilton, Benjamin Stilton, Buggy, and Professor. The plan was Geronimo Stilton stood at the bottom, Professor stood on top of Geronimo, Benjamin got on top of him and Buggy got on top of Benjamin. Then Buggy pushed open the trap door. Geronimo Stilton got trapped in the Mummy with no name's Sarcophagi so there will still be someone inside of the coffin. The Mummy kept on telling the character's to go out of the museum or they will be sorry and he said, "Go away before it's to late"! It is one of my favorite books!
