### **Sam - Spines in a Line says**

A mystery series I loved, great for young girls.

---

### **Alvina says**

First book I read in the Adventures of Mary-Kate and Ashley series..

### **Krystle says**

Very cliché, but it IS a kids book after all, eh?

---

### **Ashley P. says**

Yet another Mary-Kate and Ashley book my seven year old asked me to read to her. I swear we could read every single book in this series back to back and she wouldn't complain once. No matter how many years have passed since Full House these twins seem to just get more and more popular for the younger crowd.
