3 cocky douche-bag alert stars

Meet the seducer, **Vaughn**, he is every womans fantasy and every mans revenge. He'll seduce anyone for the right price.

After a hundred lays, you all look the same to me. Blonde, redhead, brunette-- the view's the same from up here. The crown of your head bobbing, the round globes of your naked ass. The only thing that's different is how you suck me off.

He doesn't care about you or your pleasure, the only thing that matters is how fast you can spread your legs so that he can collect his money and move on. He doesn't care what you think, or fall for the tears, he knows he is the ultimate package and knows what to say to get you to want him.

That is until, Keely Fawes, his newest target, but this little goodie too shoes is proving to be a harder target than expected.

She looks all good and proper, but it's the good girls who have the kinkiest side.

Keely is a twenty-three year old paralegal, who is as naive and innocent as they come. The day she meets Vaughn is the day her rights and wrongs are tested and challenged. This man has no shame, she has never had anyone ever talk to her like that, and it excites as much as it scares her. How can the things we think are wrong feel so right !?!

"Everybody's got a gift, and mine's making a woman come screaming in sixty seconds flat."

Instead of looking stunned again, she relaxes . Her lips twitch with amusement. "I hate to break it to you, but nobody comes that fast."

"Oh yeah? Sure doesn't seem that way to me."

Keely gives me a knowing look. "Women fake it, you know."

I growl in annoyance. "You can't fake a pussy clenching round my dick like a fucking earthquake ," I tell her. "Or have you never come so hard you passed out?"

She rolls her eyes. "That doesn't happen."

I smirk. "I'll take that as a 'no'."

Tempted and driven to desperation, Vaughn doesn't understand the word "no", especially since Keely is the first woman to turn him down. But all it takes is a taste and she'll be ready to come begging...

“If you’re still standing, and able to string two words together, that wasn’t an orgasm.”

She frowns. “What was it then?”

“A rehearsal.”

So our little Keely, agrees to one night, throwing away her inhibitions and embracing her inner slut to get the orgasm he so easily promises. But when conversations are overheard, she runs away finding herself in more trouble than she ever realized.

The Seduction was just an okay read for me, I liked it but didn't at the same time. I know I am the minority in this, and as much as I wanted to get to know our dirty mouth seducer, he came across more along the lines of a cocky arrogant bastard that rubbed me the wrong way. He was just too sure of himself, there was nothing sexy about it, and Keely, someone please smack her, just because he gives you a little attention does not mean you spread for him. As much as she had her inner battles, the logical side lost every time (view spoiler) I should have known this wasn't a stand-alone, should have known that there is more to this than what was on the synopsis. At this point, I don't think I'll be jumping into the next one, but this doesn't mean I won't check out the authors other work, it was the characters I didn't care for.

Yep, not for me at all and I'm not sure why I bother downloading books like this. The Seduction by Roxy Sloane is the first novella length book in the erotic BDSM series by the same name. If you like arrogant, dominating males then maybe this one would work a lot better for you.

Vaughn is the lead male in here and he's obviously quite the player seeing that his job is seduction and he definitely thinks he's God's gift to women. His latest assignment is to seduce Keely who should have stuck to the hard no but instead finds herself falling into Vaughn's clutches, or bed.

Obviously this one is on the steamy side and probably one that real fans of the genre would like but I just pretty much disliked Vaughn from page 1 so that isn't going to make this a favorite. The story does end at a cliffhanger to lead into book 2 but obviously this will be the end of the road for me.

IT'S...SERIAL TIME!!

Another one?? Yes! But they're so good! This is part 1 of a new serial, and If you're looking for hot and dirty...you've found the place!

Vaughn is a seducer. He's hired by disgruntled men to seduce their women and get everything on film. He gets paid very handsomely for this kind of work and since he's fighting demons of his own, it suits his tastes just fine. That is until Keely enters the picture.

Someone wants to destroy her and hires Vaughn to do so. But Keely is smarter than the others. She's cautious and not easily cornered. She's also a breath of fresh air for Vaughn and for the first time in a long time, he feels things. Outside forces are tightening and despite not knowing exactly where the story is going, I have my suspicions. I'm really curious about Vaughn though. What's his deal? I know who's trying to set up Keely but where Vaughn comes in I'm still trying to figure out. So Vaughn, the dirty talker! The man was freakin hilarious! He had no filters and everything that came out of his mouth was X-rated! Some of his lines had me laughing out loud!

I was pretty much loving how this was going until the encroaching BDSM themes started being introduced. I don't mind a little kink but it seems almost cliché here and I found it took away from the story. Instead of getting caught up in the suspense surrounding Keely and Vaughn I was eye rolling. I already know where that story line is going but I hope it doesn't overwhelm the plot. I think this is a very good serial and the added thriller-esque aspect to it differentiates it from its competitors, so let's hope it stays sexy and suspenseful while not getting too BDSM'd up in my face.

The Seduction part 2 releases June 12.

★★★★ 1/2! The Seduction, part 1 of 4. The Seducer meets a reluctant victim forcing him to turn his game up a notch... or two!

“She has probably never had a real man in her life; never felt a dick slide so deep she sees God.”

These novellas should be read in order:

Part 1: The Seduction

Part 2: The Seduction II

Part 3: The Seduction III

Part 4: The Seduction IV

The Seduction (part 1) follows **for-hire seducer Vaughn** as he wraps up his latest job or **trapping an unfaithful wife**. His **next job** is lined up, seduce **recent college graduate and paralegal, Keely Fawes**. But Keely, though immensely attracted to Vaughn, **is not going to be as easy of a target** as Vaughn anticipated. She is torn between her attraction to him, feeling intimidated by his come-ons and plain old insecurity.

We soon learn of **Keely's painful past** of being all alone after losing both her parents. Vaughn on the other hand **has secrets he'd rather keep**. The story follows them as Vaughn is forced to **step up his game**, while the world around him sort of unravels. Add to that the **mystery behind** the person who hired him and you have a **roller-coaster** of events, emotions... and mind-blowing sex courtesy the Seducer.

Seven words to describe **Vaughn: Cocky, focused, broken, enigmatic, ruthless, charismatic and relentless.**

Seven words to describe **Keely Fawes: Sweet, timid, insecure, lonely, inexperienced, impressionable and loyal.**

The Seduction provides **tons of sexual tension and build-up** with promise of much more to come. Vaughn is after all the Seducer and he is **relentless in his approach**. I wish his seduction would have been more about the job and less of his emotions in the beginning.

Needless to say story ends with a **cliff hanger**, albeit a positive one. I am very much looking forward to part 2, **Seduction II** for the **continuation** of their story.

Scorching sex scenes! **Cocky and enigmatic** hero! **Mysterious** plot!

Holy mother of all that is dirty...that man has one hell of a naughty mind. I'm a strong believer in sharing good news first. So yeah, we are dealing with a chronic dirty talker. Drop everything your doing - go and get seduced by Vaughn!

Glad we got that out of the way...now let's see if there is some actual plot to talk about. ;D

Meet Mr. I-got-no-last-name **Vaughn**, he is the Seducer. Yeah, I lol-ed a little there as well, but go with it...you might even like it. Anyway, in his line of work - seducing women to basically produce damning evidence of said seduction - he has never met a woman who didn't fall for his charm until he is hired to entrap unassuming and very innocent paralegal **Keely Fawes**.

Now all that sounds a bit cliché and believe me there is plenty of that going around, but there is also a lot of mystery. Who hired Vaughn? Who wants to harm Keely and who the fuck is this dying Mr. Ashcroft and what's his interest in our poor clueless heroine?

So yes, I'm happy to announce there is some actual plot, but it takes a backseat in the face of such yummy seducing going on. This is steamy smut at its best. If you need a quick fix for something naughty, well written and entertaining...GO FOR IT!

“The things we think are wrong? They're the ones that feel so goddamn right.”

Also, mean cliffy! But there is more to come. Yippieeee!

Short review for a short read, but I think I got the gist of it.

Not sure if I will review the other books...but I think I will do an overall review at the end. ;D For now I just want to dive in and see what happens next...not that it's a big mystery...I'm guessing lot's of yummy, steamy and dirty talking sex. Just what a girl needs to start a new year. *swoon*

Vaughn is the Seducer..

He seduces women for a living.

is his job

He is no Justice Drake who turns housewives into whores...

His clients are husbands who need e.g. a pre-nup get-out clause..

Daughters who want to get rid of their stepmothers.. and so on..

He will seduce anyone but..

And he knows very well how to seduce a woman..

His next client is very mysterious.. no full name, no contact address, just a cell number for a burner phone.

And this client wants him to seduce Keely Fawes with dirty pictures as evidence and all..

Keely is just a paralegal at a law firm.. She really wants to go to law-school and become a real lawyer one day but ATM she can't afford it. She is also not much sexually experienced

since she had only one boyfriend in high school who didn't even get her off. She doesn't even now how a real orgasm feels like...

Keely plays hard to get..

And with that she drives Vaughn crazy.. Vaughn is always ready for a new challenge.. but time is getting short.

His client wants him to fulfill his mission as fast as possible and Vaughn starts to wonder why someone would want to cause Keely something bad..

This story was very very dirty and it also started very dirty.. And even with all the filthiness in it I liked the storyline too.

Of course it ends also in a cliffy.. but it wasn't too bad in my opinion..

I actually liked the how things ended. It's definitely getting interesting and I can't wait for the next part which comes out 12th June.

I must be out of my damn mind to start another serial, but the minute I saw J's review I was sold. And I am sure glad I dove right in. Ladies, there's new dirrrty talker in town! He can easily compete with Andrew when it comes to filthy mouth, and for now, I'm not sure which one would win. He's that good.

Here's the story.

We have Vaughn with odd profession - he's the seducer. He will seduce anyone: mommas, grandmas, sisters, stepmothers, girlfriends, wives, you name the target and he will deliver.....for money of course. His new job is Keely. We don't know who wants to put her in bad light and why, just that Vaughn is to seduce her and provide compromising proofs. And that's the mystery here.

Since he's oh so fabulous,

piece of cake, right? Well, not right.

Because Keely rejects him,

and then rejects him A-fucking-gain.

But though she turns him down, in the back of her mind she lusts after him and his dirty mouth turns her on.

So the game begins, Vaughn seduces, and oh boy he does it good, and you know, he's the shit and all, it doesn't take long when Keely gives in.

We have a little bit of this

and a little bit of that

and finally this.

And then, you know the drill, cliffhanger and waiting for next part. I am already rubbing my hands, so Roxy Sloane, write woman, write:)

"I need to take her, to completely devour her. She's mine now there's no going back."

If you need a dirty talking, dominant hero fix then you won't need to look much further than the start of this serial naughty adventure. I don't know if I'm feeling a bit 'over' the whole dominant erotic story but as much as I enjoyed my time spent with Vaughn I didn't feel like I was reading about a story that I couldn't live without. However, nothing can stop me from jumping into 'The seduction part two'. Here's to those dirty talkers that we just can't seem to resist.

*** * * * 4 Too Hott To Handle Stars**

Vaughn...be still my beating heart.

There are two things I love in my book characters: a Dirty Talker and an Asshole Alpha.

Vaughn had me from the first page, and continued on with his asshole ways and filthy mouth.

Vaughn is a seducer...

"Well, I get all kinds in here, not just the spouses in need of a pre-nup get-out clause. Desperate fathers needing to lure their princess away from gold-digging scum; daughters out to get rid of their wicked step-mother; women wanting to give their girlfriends the fuck they deserve. I will seduce anyone -- for a price."

He has been hired to seduce Keely. Vaughn doesn't know why he has been hired and doesn't care, to him she is just another job. When Keely turns Vaughn down and makes him work for it, the chase begins.

Lets talk about this chase...**HOT AS FUCK!**

This is a series, so there is a mild, manageable cliffhanger. I really, really liked this one and can't wait to continue the series.

Sharon ∞👉 is an emotional book junkie 👈∞ says

Vaughn is a seducer but it's more than that, this is his profession. That's right, he gets paid to seduce women, take pictures of them cheating *with* him and he's **very** good at it. That is, until Keely turns him down and now she's all he can think about.

I just *love* these books with the guy's POV but let me warn you, Vaughn comes on extremely strong. I'm not sure if he even talked about anything other than sex...poor Keely. ;) But...there is something there and that's really the part I enjoy. I want to see Keely break through that smug and arrogant exterior to the real Vaughn.

Keely is young but she's focused. She's trying to find her way in the world and learning to deal with jerks. She doesn't know what to think of Vaughn. His dirty talk is driving her mad but she can't jeopardize her job since he's a client. He's relentless though.

Turns out someone hired Vaughn to seduce Keely and there's where all the drama and mystery unfolds. There's a couple of swarmy characters and it's a good possibility of which one it is but we don't have enough facts yet.

The sex? Well...need you ask? After all we are dealing with the sex god here. Put it this way, if you're looking for a hot read, this is it!

Thankfully, we get both Vaughn's and Keely's POVs and I just love that. It just makes the story so much better!

My one complaint ~besides this being an installment series~ is the key...really? Where did she hide that per chance? Huge jump there but I'll go with it for now.

And of course, the ending leaves you hanging. Good news is the second installment is suppose to be coming out June 12th and the third on the 26th.

4--**I Love When You Talk Dirty To Me**--Stars!!!

Clearly there is something wrong with me. I can't stay away from these serial series.

And like to be tortured by cliffhanger endings and because I am sucker for a dirty talker. What can I say?

So we have Vaughn--The Seducer.

Husbands, fathers, daughters, women....you name it and Vaughn will seduce it. He's cocky, he's an ass and he's proud of his "skills".

He has yet to meet a woman that's turned him down. Until Keely.

Keely is a paralegal at a law firm. Her boss is an ass. She's had limited sexual experience. She "bumps" in to Vaughn at a juice bar where his pursuit of Keely begins.

There's some mystery surrounding who has hired Vaughn to seduce Keely and why. I have my ideas. I'm definitely intrigued.

I must say, this was a hot little number. And the addition of the dirty talk was a major plus.

This one did end on a slight cliffhanger. But it wasn't bad at all. Book 2 out June 12th...I can handle that!

*****FOUR HOLY HOTNESS STARS*****

Holy hell is this series **H-O-T!!!**

This is pure SMUT with a little bit of a story, but hell if I didn't enjoy it thoroughly!!!

Vaughn is a HOT and sexually demanding Alpha Male!
He gets paid to seduce women for all sorts of reasons.
He enjoys sex but doesn't have any interest in relationships.

Keely Fawes is a young paralegal, who lives a pretty dull life.
Her life is just about to get very interesting when she runs into Vaughn at a coffee shop near work.
She's instantly attracted to the handsome man with the piercing blue eyes that is behind her waiting to place her coffee order.
Right off the bat, Vaughn speaks to her with a sinfully filthy mouth.
I'm thinking he'd probably get kicked in the nuts or at least get a slap in the face for what he says, but Keely does neither.
She's shocked but also turned on!

Little does she know that Vaughn was hired by an unknown person to seduce her for reasons we're not clued in about at the moment.

There will be some pretty STEAMY interactions between the two that take place in a museum bathroom and the library of the law office Keely works at.

This author knows how to write some pretty damn good smut.
At times I was shocked by how Vaughn spoke to Keely but at the same time I found myself wishing this kind of stuff would happen to me!!

Very enjoyable read!!
If you're into Erotica, this is one not to be missed!!

Vaughn is a professional seducer. His clients hire him to gain the trust of women, seduce them, and take pictures as evidence. He doesn't care about their motives, just cares about the big paycheck he receives. He loves the challenge & the chase, and is very good at his job.

Vaughn's new target is a paralegal named Keely Fawes. She works for Hudgens, Cartwright & Abrams law firm in LA. Keely hopes to one day be a lawyer herself.

Keely has been alone since her parents died, and has only had limited experience with men. She runs into a gorgeous, sexy man one day when she is at the juice store getting something for her boss. She is so flustered by his looks, and his flirting. She later continues to run into him, and is shocked by how forward he is. She of course has no clue their encounters aren't accidental.

Vaughn isn't used to having to work to get women. He keeps giving it his all to seduce Keely, and is striking out. He can tell by her body language she wants him, but she won't let herself have him. Finally he gets more aggressive, corners her, and once he touches her, Keely is done for. She can't resist him any longer, and she just wants more of his yummy kisses, & his hands on her. She finds herself more daring around him, and hasn't ever had a man this delicious before. She can't control how she reacts to him, & she just wants more of everything he has to offer! ;))

While doing his "job," Vaughn has to spend time with Keely while pursuing her. He starts caring more about being with Keely than the job he's to be doing. He hasn't felt this way about a woman in a long time, and doesn't know how he'll just walk away when the job is over.

- "When something's that good, you never want it to end."

- The way he's looking at me... I can't remember the last time a man gazed at me with such intensity.

- She likes it when I talk dirty, huh? Little Miss Innocent's got a kinky side after all.

- Vaughn is smart, edgy, and sexy as hell.

-It scares me, how quickly my body responds to him. How my good sense goes flying out the window the moment he comes around. I've never felt anything like it, and God, that terrifies me somehow, knowing how much I want him.

-What would it be like to surrender completely? Let him make good on all those filthy promises, show me the pleasure I know he has in his grasp.

-I need to take her, to completely devour her. She's mine now. There's no going back.

-Vaughn. He fills my thoughts, overwhelming my senses.

-Goddamn, this girl is heaven.

-She's so fucking beautiful right now, I could watch her for days.
