Nursing Theories and Nursing Practice (Parker, Nursing Theories and Nursing Practice) Marlaine Smith , Marilyn Parker

Noted nursing scholars explore the historical and contemporary theories that are the foundation of nursing practice today. The 4th Edition of this popular book meets the needs of today's students with an expanded focus on the middle range theories and practice models that link theory to clinical practice. You'll explore their role in the real-world and learn how they are used to research and test the interventions with the best outcomes.
