Nidhi Bhatt says

I knew this model guy was a bit fishy! Tsukashi is too trusting, she just won't trust Tsukasa. Idiot!

Amanda Lila says

This model guy is not a good person, is he?

Zahra says

No puedo puntuar correctamente este tomo, porque sé lo que trama Jun, sé lo que hará y no puedo, simplemente verlo en escena me pone enferma.

michelle pham says

friggin whatshisface
uhhhhhhh
orine's brother
nobody likes you

Emmy Lou says

Tsukushi tells off Tsukasa, makes a new friend, models for a magazine, and gets another Red Slip. Oh, boy...
It's time for Eitoku's Joan of Arc to rise again!

I must say... I absolutely LOVE JUN <3

Allison says

I'm getting a little tired of this storyline 14 volumes in. I'm especially daunted by the realization that I'm only halfway through...

Miss Ryoko says

I love the cover of this volume!

Ugh... and there goes Tsukasa reminding us all what a spoiled little brat he is. I can't even feel sorry for the guy that the girl he loves won't be with him... he deserves it. I really hope in the end Tsukushi doesn't pick him... his violent, immature behavior SHOULD NOT be rewarded and in fact he should suffer the heartache for the rest of his life. But you know... I have doubts she'll pick him in the end because even though she told him they're suffocating her, she can't stay away from him... and instead of seeing what a psycho he is when he doesn't get his way, all she sees is the sweet little things he does when he's not being a psycho (hmm... I'm sure any level headed woman could see where this type of relationship is going --) Especially when the other characters are being like "You idiot! Can't you see he loves you!" Uh, no! That does not excuse is douche bag behavior and Tsukushi shouldn't excuse it because of that either!

But yay for Jun!! He reminds me a bit of Kazuya! At least there are a few boy characters in these books whose eyes I don't want to claw out.

V says

There's a new character in this volume, Junpei! Makino surely meets a lot of good looking, famous and unique guys. There have been so many male characters coming in between her and Tsukasa. Hmmm...

Rebecca says

I have to say that it was worth it for both Tsukasa's confession and Tsukushi's telling him how conflicted he makes her. Doumyouji may be the prototype for the terrible shoujo lead, but Kamio tries to show us his emotional immaturity as a reason for his behavior, and it comes through best in this volume. (Thus far.)

Lauren says

There was something in the way all of the characters came together that I found irresistibly compelling about this series. It did remind me a lot of Ouran while I was reading it and maybe that is why I liked it so much. Tsukushi is an interesting protagonist, I loved when she started taking action and sticking up for herself.

While I wasn't overly fond of the artwork style I was able to get past it because I my love for the storyline. This is an honest story with twists and turns, ups and downs, but then again that is real life.

I would really recommend watching the anime too!

Danyka says

I'd watched and liked the anime version when I was still a kid.

For now, I got no plans for buying a copy.

Indah Threez Lestari says

#Program BUBU

Pertama kali dibeli dan dibaca pada tanggal 8 Januari 2003.

Chibineko says

To start with, I'd like to say that I do love this series, but collecting it is a bit of a labor of love. The story (that of various love triangles & class struggles) is a sweet one, but a little repetitive. It's great... the first few times around, but eventually even the biggest fan finds him or herself sighing a bit in annoyance & wondering why Tskushi doesn't come to grips with her feelings or why Tsukasa doesn't try to be a little more tender.

In this volume the love interest du-jour is a "nerdy" boy who rescues Tskushi from the latest jealous schoolgirls who dislike her relationship with F4. She then later discovers that he's a famous model & gets photographed with him. Tsukasa of course gets jealous & causes a scene, excetera excetera. This whole plot would be a lot more interesting... if it wasn't that it's happened in various guises already. Just about every guy Tskushi meets falls for her and ends up being rich and/or famous. It's fun, but like I said... it gets a little old after a while.

Would I recommend this? For the most part. Many aren't going to like this series enough to really want to collect all 30-odd volumes, but some are. To those I'd recommend this. To others... not so much. I will say one thing though, this series is great in small doses. As long as you remember that, the series is golden.

Snow says

reviewing for Good Comics for Kids

Polina ? says

Some intense things happening in this Vol. We got another new character who's in love with Makino - what a show, but the guy is weird and still a bit a mystery.

Tho I still like Domyoji and he's strange way to show his feelings.
