Convenient Lies Robin Patchen

What happens when a woman marries her greatest enemy?

When investigative journalist Reagan McAdams discovers her new husband Julien is part of a powerful international crime family, she flees Paris with their newborn, returning to her childhood home in Nutfield, New Hampshire. She plans to gather her inheritance, collect her beloved grandmother, and disappear forever. She'll do whatever it takes to protect her son from his criminal father.

But when Reagan arrives home, her heart breaks at the news of her grandmother's death. Finding her missing inheritance—hidden somewhere on the property—is as impossible as a second chance with her former boyfriend, Brady. Reagan's feelings for Brady are stronger than ever, but when Julien's people harm innocents to smoke her out, Reagan must make a choice.

What—and who—will she have to sacrifice to save her son?

Bibi says

Tsk tsk

Spoilers

As much as it pains me I can't but rate this as is, and it all boils down to momentum.

In broad strokes, the story is about, Reagan, a woman with many secrets, who decides to run away from Paris and from her hubby, Julien. In tow is their brand spanking newborn. Well, Reagan, you see, discovered that Julien was not who he portrayed himself to be and not only that, she also had information that linked him and his family to terrorists activities.

She heads back to the US and lands in her New Hampshire hometown, where she immediately reacquaints with, Brady, her high school BF and first love. At this point, Julien had discovered her disappearance, and knowing she can't ever leave and most certainly not with his son, he embarks on a retrieval mission. What he doesn't know is that most, if not all, of Reagan's backstory had been no more than carefully orchestrated lies which makes finding her near on impossible.

All of the above transpired before the halfway mark, however, and sadly, the story then sputtered into redundancy; with the subsequent 40% revolving around a permanently tearful/crying Reagan, a fearful and inept Brady, and a hungry baby. Between feeding the baby and the crying by Reagan and the lukewarm pseudo love connection with Rea and Brady, the story never gains any meaningful arc.

Eventually, and only at the very end, we glimpse a rather lackluster resolution to the conflict, all wrapped up in a deus ex machina bow. Overall, quite underwhelming.

Edward Arrington says

This is the first book by Robin Patchen that I have read. I was quite pleased for the most part with the story. The title seems quite appropriate for the story. A woman who has changed her identity to escape the infamy of a childhood deed has married a man who has kept his real identity hidden from her. He is the son of a major international crime boss. Their reasons are different but both are living a lie. Are there varying degrees of lies? Are the lies of one any worse than the lies of the other? Are their lies going to bring harm to anyone? She is an investigative journalist and learns who he really is. Can she get away from him and protect their newborn son from his criminal father? Well, grab the book and read along to see all the excitement as they play hide and seek all over the world. The book is loaded with suspense, action, and some romance. And the lies continue. You are probably familiar with some of the old sayings about one lie leads to another and so on. The more lies you tell, the easier it is to keep lying. The big question is whether the lies will ever end. I received a complimentary copy of this book from the author. This is my honest review.

Juli Hall says

This is the first book by Robin that I've read and not my typical genre, I was engrossed by the first chapter. Loved the storyline and the characters were well developed. Definitely recommend it. Looking forward to reading more by her.

Title: Convenient Lies

Author: Robin Patchen

Pages: 394

Year: 2016

Publisher: Create Space

My rating 5+ out of 5 stars.

There are authors who can tell a good story and there are those who tell a story in such a way it leaves readers wanting more. Readers can tell too if a book isn't worth reading. Robin Patchen is more than a story teller! In Convenient Lies, she drew me into a world where secrets were kept for a variety of reasons, and lies were told as easy as turning on a light switch. When the main female character, Reagan McAdams, searches out and finds the truth, her world begins spinning out of control. On top of that her newborn son is the one thing that will make her "husband" continue chasing her around the globe until he retrieves his only heir.

So, Reagan goes to the one person she believes will help her take care of a baby while being on the run. What Reagan doesn't expect is her past catching up to her at the same time. Who can she trust? I found myself constantly reading and turning pages as the suspense never seemed to wane. The intrigue and danger with nefarious characters made the tension of the story very palpable for me. The budding romance and dealing with past issues while trying to stay a step ahead of danger was another thread that kept pulling me deeper into the book.

Readers of suspense, international intrigue, tension, romance, mystery and the fight for justice will have hours of pure enjoyment reading Robin's novels. I found too that what one character as she grew older thought she wanted ended up bringing her great heartache and danger. I loved too how the thrill of reading the story never let up. In fact, as soon as I was done reading this book I wanted to read her next novel in the series.

The characters continue from one book to the next, the sequel, which is available now and titled, Twisted Lies! I sure hope the author has another novel planned as I want more stories with these characters that are filled with hours of engaging entertainment!

Danielle Carpenter says

This is a scary scenario and I loved the book. I wasn't sure how the author was going to wrap it up and there is a surprise to how it ends. I give my approval. So if you suspense, drama and sudden twists and their are several of them, you are going to enjoy this book.

Alice says

A fast-paced terror-filled book that will hold you spell-bound! When Rae finds evidence that her husband has not been honest with her and goes completely against what she holds true, she takes her baby and runs. From Tunis to Paris to the US, Rae runs to protect herself and her baby from the terrorism that shows itself in his father's family. This book will hold your attention from the first word until the last word.

Deb says

What do you get when you cross a desperate lady running for her life and a detective who still carries a flame for her? You get suspense, intrigue, romance, drama, and an edge of your seat thriller. In this story you met Rae who decides to go on the run with her newborn son once she discovers she has married a terrorist. But what do you need to live life on the run - money. So her journey begins in her hometown where she hopes to find some gold coins her father had hidden years ago to fund her life on the run. While there, she crosses paths with an old beau Brady who is a police detective. Brady can tell something is going on with Rae but she refuses to tell him anything as she is worried for his life. Rae knows her husband will stop at nothing to find her and their son. So Rae is forced to choice between confiding in Brady and protecting him.

This is just when the drama heats up as several bombings make it clear to Rae that her husband is desperate to find them and is closing in. But Brady wouldn't just leave well enough alone, he keeps drilling her for information and as they spend more and more time together, the old flames of romance begin to bloom once again. But can their be any future for them with Rae on the run from her husband. Can Brady come up with a plan to help Rae in time. How many lives will be lost in the process? Is there any hope in this hopeless situation?

Highly recommend this suspenseful drama. Get a copy and prepare to be drawn into Rae and Brady's lives and to not want to put the book down. And I have to say that the ending will surprise you and no I am not going to give you any clues.

Clare Revell says

A real page turner. Throughly enjoyed it.

Staci says

In a suspense novel, I'm looking for a pager turner and plausibility. Convenient Lies was most definitely a page turner and I was engaged in the story from the beginning. There was one point that I'm not sure if it was realistic or not, but it could be so will tip the scale in that direction.

Main character Rae is trying to find a better life for her and her son. The path to getting there is incredibly dangerous and risky. She is a tough lady.

My gratitude to the author for a complimentary copy of the novel. I was not required to post a review and all opinions expressed are my own.

Becky Macy says

The author quickly drew me into the story line, and kept things moving, all the way through. I thought I "knew" how it might end; but in this truly suspenseful novel, I was wrong! It is full of well-developed characters, some of which face danger. Romance is included, too. I look forward to the next book in this series!

Sharon Srock says

In Convenient Lies, Robin Patchen delivers a story of a small town girl caught up in a dangerous international crime family. What Reagan thought was love has turned into control. When her son is born she knows his future is at stake and she runs home to the only people who might be able to help her. The story is tightly woven, the action fast paced, and the characters are multifaceted. You'll be on the edge of your seat long before you reach the final page.

Terry Houchin says

I loved this book!

The action starts right on the first page. I immediately liked Rae and wanted her to be able to get away from Julien. I was pulling for her to be able to make a home in New Hampshire through out the whole book. I was afraid she was going to panic and run away and be on the run looking over her shoulder for the rest of her life.

The tension in this book is perfect. It is paced just right.

Quite a few twists I didn't see coming. I love it when that happens!

If Romantic Suspense is your genre, then this is the book for you. It is a stand alone book. I can't say if you need to read this one before you can read the next book since I haven't read the next book, Twisted Lies, yet.

I can't wait to get get the other two books in the series.

Convenient Lies is on sale on Amazon Kindle for 99 cents right now.

Lori Shankle says

Great book! Me. Patches was able to weave a very convincing story filled with action, danger, love and compassion. The more I read the more I wanted to keep reading. Anyone who loves love, HEA, danger and the thrill of the chase will love this book. I received this book free as a ARC. I voluntarily review this book. This is my honest review

Kelly Tyree says

Convenient Lies is an edge of your seat book. It grips you from page one and keeps you engaged right up to the exciting end.

Reagan McAdams is married to Julien who is an international arms dealer. They have a two week old baby, Johnny. Reagan learns Julien is engaged in activities that are illegal and immoral. She takes their son and leaves him. She returns to the home of her grandmother with the intent of going into hiding. She knows it is a matter of time before Julien or his very powerful father finds her and Johnny. When she returns home, she learns her grandmother has passed away. She is also reunited with her Brady, the man she has never stopped loving. She is also reunited with her friend, Samantha. She does not want to be around them because she fears for their safety if Julien finds out she has associated with them. But Brady is not willing to lose Reagan again and will stop at nothing to protect her and Johnny.

Meanwhile, Julien is intent on finding Reagan and bringing her back home. He needs his son, his only heir, to return home as well so that he may take over the family business. Julien employs many methods to locate Reagan. As Reagan realizes she is endangering the lives of others by remaining on the run. She is forced to make tough decisions to protect Johnny. All her plans are changed when she receives a call from Julien and he is at her home with her son.

Convenient Lies is well written and keeps the reader engaged.
