MCMXCII says

1/5/19 why does the release date have to be so far away ????

9/5/18 I. CAN. NOT. WAIT!!!! ??? Jemisin is so skilled when it comes to creating anti-heros, discussing those hard topics, creating unique worlds and intriguing magic systems! This is going to be one of my most anticipated books of 2019!

Elise (TheBookishActress) says

it's 2017 and I still have yet to read an NK Jemisin book, like the failure I am
