Her friend Tori lives there too, and she almost never gets to see Tori. So Tori and Natalie plan to spend lots of time together. Then Natalie meets a guy named Reed, and gets distracted. The Grammys are coming up soon, and now since Tori and Natalie are in a fight, Natalie doesn't want to go with Tori, and Tori doesn't want to go with Natalie!

This book can show many different points to how it should end. It is a virslery good book about a girl who has two rich but divorced parents. Although this book is only for girls.
