## **Mistress for Hire** Abby Parker

When Bree found herself in a desperate situation, she stumbled upon a unique way to move forward, a new career path... a mistress for hire.

Bree knew exactly what to do to catch a cheating husband, having been a mistress herself. Now, on a mission to make things right, she's become a "good mistress" of sorts. In an effort to rectify her past, Bree helps women catch their cheating husbands.

She tempts, they concede, she provides the proof.

Bree seems to have it all, but her life is thrown into a tailspin when a mistress for hire job goes south in all the wrong ways. Will she be able to complete the job and keep the man she's falling for?...
