## From Reader Review Essence of Desire for online ebook

### Kim says

It was good to finally read Felicia's story after reading all the other Madaris novels. I just wish it was a full story instead of a short. The other two stories were interesting as well. Can't wait to see Truly Everlasting the movie.

### Ikaika says

I loved this story. Felicia and Trask's story shows true love at it's best, in all forms.

---

### Toni says

Three stories about love and passion. Robert Noble and Roxanne Miller in The Makeover. Royce Parker and Michelle Kincaid in Bound by Passion; and truly Everlasting featuring Felicia Madaris and Trask Maxwell.

---

### Tia says

This is an edition that is three books in one. I read it for the Madaris Family Saga story and after completing it I took the time to read the others . The other two stories are continuations of characters from her books, The Perfect Fit and Perfect Timing. I haven't read those books yet but, as they have been recently purchased, I will in the near future to get the back history of the characters. If you are a Brenda Jackson Fan, there isn't much that I need to say, I personally haven't read a Brenda Jackson book that I didn't absolutely love.

Essence of Desire ..... 3 books in 1. The Makeover, Truly Everlasting and Bound by Passion. All new reads to me (although they've been out a while). All great reads. All full of life and love.

### Dorel says

This book has 3 stories in it just like Forever Mine, my favorite story of the 3 is story 2. The 2nd story story line is really good. I felt sorry for Felicia. I really liked Trask's character. I loved Felicia's son. The scenes with Trask & Felicia's son were touching. I liked the ending. The other 2 stories were okay.

#### **HOT HOT HOT**

I loved this story. Michelle was dominate, Royce was time enough for her. Great story of fire and ice. Passionate and hot from beginning to end.

---

### **Shawnette says**

Another GOOD read from Mrs. Jackson...had already read Felicia Madaris' story...which was HOT...and the other two were also ENJOYABLE.

---

### **Joyce Hudson says**

Great book, enjoyed it.  
Felicia and Trask, Robert and Roxie, Royce and Michelle all great stories. Glad that Brenda did follow up stories for the secondary characters.

---

### **Celeste says**

#### **Love**

The common thread is that opposites attract. That regardless of past heart ached or assumptions love has a way of making things work. Trask and Felicia, truly had a journey and a history.

### **Bridget says**

I love Brenda Jackson books but this was not one of my favorites. I did however like the 2nd story of Felecia and Trask. The other two stories were too rushed to me and were not on the caliber I am used to reading with Brenda Jackson, but I am still a fan of hers.
