God's Way Is Still the Best Way Zig Ziglar

For decades, Zig Ziglar has steered millions of people toward richer, more satisfying lives. Now, in *God's Way Is Still the Best Way*, this dynamic author and speaker teaches you biblical principles that will infuse your faith with action and skyrocket your impact on the world.

Ziglar shares how developing the fruits of the Holy Spirit are key to an energized, God-centered life. Each chapter is filled with stories of men and women like Tony Evans, Mary Kay Ash, and Dr. Kenneth Cooper whose love for Jesus propels them to share their faith and provide relief to a hurting world.

A lively, Christ-centered book that teaches by example, *God's Way Is Still the Best Way* will inspire you to experience success God's way, which, as Ziglar says, is the only permanent way.

In this tome Zig uses numerous examples of successful business men and women to show how their experience fulfills one of the fruits of the spirit. If, like me you are a Zig Ziglar fan and have somehow missed this one get your copy now. If you are considering reading Zig Ziglar for the first time this is a good one to start with.

Great insight from our temperatures and singing s terms of the world

this book taught me that a lot of successful people have one thing in common, and that is they don't lose focus from putting God first, and they never get bigger than the Man above.... Great book to follow in other people's footsteps, or I should say follow into the Lord's foot steps, make him proud and know your role as a Christian and the peace of mind you get from that will always be priceless

David says

Great book that marries Christianity and its relationship to the marketplace. The book is laid out where each section discusses a fruit of the spirit found in Galatians 5:22-23 (e.g. love, joy, peace, etc). Under each fruit, there is a few pages about a person in the marketplace that exhibits that fruit. There were several names (Truett Cathy, Mary Kay Ash, Bill Bright, etc.) that were familiar to me and even more that I did not know. What a great book that lays out examples of how Christians can serve in the marketplace.
