## **The Christmas Ranch & A Cold Creek Holiday** RaeAnne Thayne

A NEW Cowboys of Cold Creek story from New York Times bestselling author RaeAnne Thayne!

Hope Nichols has never felt as if she belonged anywhere except her hometown of Pine Gulch. So when she hears that her family's property, Christmas Ranch, is set to be shut down forever, a determined Hope heads home. She refuses to let anything ruin her holiday--this will be the most memorable ranch Christmas ever! And thanks to hunky former navy SEAL Rafe Santiago and his adorable nephew, she might just pull off that miracle.

Plus a heartwarming RaeAnne Thayne favorite from the Cowboys of Cold Creek series, A Cold Creek Holiday, also included in this book!

"A richly plotted story with characters that are easy to care about, this one is as emotional as it is funny."

This is the first of RaeAnne Thayne's books that I've read. I'll be checking out the other cowboys of Cold Creek!

This book has two really sweet holiday romances. This was my first read by RaeAnne Thayne and I think I have just found another great author to put on my 'read' list. Hope and Rafe struggle to acknowledge their feelings for one another. Emery and Nate felt they weren't right for each other and really fought their feelings. But...in the end there was a Merry Christmas for all. I really loved this book!!

This is the first book I have read by this author, but I will be reading more of her works. There are two complete novels in this book, and both are quite pleasing. The writing is top-notch, and her refreshing plots keep the reader interested from beginning to end. The characters are beautifully drawn and very realistic. As you read, you will encounter plenty of emotion, laughter, and love in both stories. Both novels have been written by a master's hand, so grab a cup of tea or coffee, settle back, and enjoy!

Special Edition of two stories by RaeAnne Thayne, The Christmas Ranch and A Cold Creek Holiday...

The Christmas Ranch is a part of ranch that was set aside for all things for Christmas, decorations with lights, reindeers, a magical wonderland. Hope Nichols had traveled far afield for many years and is now coming home..BUT she finds out that this part of the ranch has been temporarily closed after her sisters husband died a few months before. Hope is determined to open it again even though Christmas is fast approaching. She meets someone from her past and at the beginning does not remember him, he offers his help to get the place open and she accepts. working together so closely she soon finds she is losing her heart to this former navy seal, Rafe Santiago. Sparks fly when she realizes who he is and that he has not mentioned to her they had a past...One that left her with nightmares for awhile. Come read a wonderful holiday book where you get two for one. thanks RaeAnne.

The second story , Emery needs to get away and chooses a Bed and Breakfast far away during the holidays to be alone and get some work done. She does not count on meeting a hunk of a man who is gaurdian to some adorable kids that want to be friends. They are drawn to her as a mother figure -now missing their Mom that had died. Holidays is not one to be alone and she is soon in the midst of helping the kids have a memorable Christmas and finding she is being drawn closer to the "The Hunk" more and more. This is a

couple of stories you must read for the season.

Wonderfully sweet Christmas romances. Just what I was looking for at this time of the year. I really enjoyed both stories.

### **Serena says**

Cute! Just what I wanted in a Christmas read.

### **Charlene says**

Thayne has a knack for storytelling and creating a winter wonderland. In both [The Christmas Ranch](#) and [A Cold Creek Holiday](#) Thayne tells the story of a family who lost the spirit of Christmas because of tragedy. With each passing page, Thayne magically transforms the family's lives by adding a gorgeous Christmas tree, holiday decorations and the act of love and kindness.

### **Heather says**

Good book for the holidays. gives you the dome made christmas feel and men in uniform crossed with cowboys. how can you go wrong

### **Marjorie says**

RaeAnne Thayne writes great romance and I love her books. The Christmas Ranch brings together a Navy Seal and a woman he had rescued when she was 13. A Cold Creek Holiday finds Emery Kendall booking a holiday at Hope Springs Guest Ranch. Nate Cavazos finds himself becoming a father/mother figure to his two nieces and becoming a guest ranch manager. Neither items fit well with his background.

You can just lose yourself in these stories and want to believe that the happy endings are truly happy endings.

What an amazing book. RaeAnne left me with happy tears after reading another fantastic book. Both stories were really hard to read since losing a family member is so hard. The Christmas Ranch plot was so lovely. Loved that Hope was able to bring Christmas back to the ranch and teach her family that life can move on and that giving up on Christmas wasn't the right thing to do. It brings joy and family together. Both stories

had a military man with beautiful features who both needed a little push in life and see that life happens for a reason. The stories both had emotional events but was happy with the outcome of each ending. I learned that life will bring some good days and some bad days but that you have to try your best to make it through. Family is the best medicine for a broken heart. Christmas is a time to celebrate and enjoy the wonderful memories with your family. You don't want to miss this book.

### **Debra says**

Loved the story but couldn't get past the swearing.

---

### **Mary says**

Both of the stories included in this novel were very good. I loved how Ms. Thayne can write about loss without making the characters cold or hardened. The stories she writes are warm -hearted, feel good romances with just enough sizzle. The women characters are strong-willed who do have to have a man, you know it's because of wanting the man, not needing someone to save them. Exactly what I wanted to read on a cold, wintery day.

### **Gail says**

I love RaeAnne's books. Hope Nichols comes back home to the ranch to help with the family's Christmas Ranch but finds out her family has shut it down, Deciding she will not let this ruin her Christmas she decides she is going to reopen it. Read the book today to find out what happens next. It will not disappoint you, A great book for the Christmas season. It is full of hope and the Christmas spirit.

### **Janet Robel says**

Both of these stories were wonderful. Captures the holiday with romance and small town setting. The characters are relatable and memorable. These are delicious reads that you'll love any time of the year.
