**Border Lore: Folktales and Legends of South Texas** David Bowles , José Meléndez (Illustrator) , Mark Glazer (Introduction)

Award-winning translator and author David Bowles brings together twenty-five darkly memorable stories of the southern borderlands of Texas, retold in his unique voice. Ranging from the age-old folktales heard at his grandmother's knee to urban legends collected down the years, each of these vital narratives is brought to stunning visual life by artist José Meléndez. An appendix classifies the pieces and enumerates motifs for scholarly research, and an introduction by noted folklorist Mark Glazer provides a larger context for the work.
