RIGHT BRIDE

Lovely widowed mother Tess DeMarley had "perfect wife" written all over her--but rancher Zach Bravo had lost at love once before. So he proposed an arranged marriage. And he knew that it would stay just that--because Tess was a one-man woman, all right. Too bad Zach was the wrong man!

WRONG GROOM?

If you'd asked Tess DeMarley what man she'd always dreamed of having down on one knee proposing marriage to her, Zach Bravo might not have been her first choice. But now that he was her husband, she began looking at him in a new light--and wondering if her "in name only" spouse could possibly be turning into her dream man....

CONVENIENTLY YOURS:

The Bravo men's marriages may have begun in name only--but were they destined to be true love matches *after* all?

This book was not great romance, I mean everything else seemed to happen in the book besides that. We met Tess in the first book of this series, when her dreamer husband finally died and Cash Bravo helped her and her little girl out and we find out about her little crush on him. Tess believes she loves him but she knows he is married and is happy for him. Tess was seventeen when she foolishly became pregnant and left her family's ranch and security to marry a man, who only had dreams and made them lead an uncertain life, Cash was always there to help.

Now, Zach Bravo the one who runs the ranch offers to marry her. He feels they are perfect for each other both have been burned by love and love ranch work. Tess agrees but she feels guilty over Cash but knows she will work hard for the marriage and wants kids.

But Zach finds out what she feels for Cash before they get married and has them living in separate bedrooms and kind of keeping his distance. Zach was burned badly by his marriage when his wife first chased him and then walked out on him with his daughter. He is one of those good guys who believes when he gives his body he gives his heart.

So, Tessa keeps house while Zach does the other work and then Zach's messed up daughter comes to live and we see the first meeting between her and Beau(they are the hero & heroine in a different book). Tessa soon falls for him and knows that what she thought she felt for Cash was borne of gratitude and knows that getting Zach to believe her would be tough.

I somehow didn't really like Tessa much, she wasn't a bad character she just didn't stand out much and I don't like books where the h/H never seem to be together.
