Kyle says

Fun

The store gives a completely fresh life and huge change from the web novels yet keeping with the fun relaxing feel.

Mandy says

The ending is epic!

Satou is having fun dealing with the girls, learning magic, and trying to not get involved. Only he fails miserably as usual.

We meet Sara, an oracle, and we watch as the crew get broiled into the intrigues of the world.

Good book.

Gerhard says

Still awesome

Still enjoying the series and cant wait to read the next book. Truly reading experiencing the story It is an amazing series.

Donny says

It's interesting reading this and comparing the differences to the web novel version. New sections added. Characters introduced at different times.

Still the same Satou just wanting to travel and sight-see. And getting drug into problems everywhere he goes.
