Unwrapped K.B. Winters

I'm breaking every bro code in the book—but I can't help myself.

Unwrapped is published in Holiday Bad Boys Christmas Bundle! This exclusive edition has a brand new bonus chapter, deleted scenes and never before love scenes!

Steven Maxwell

After four long years in the sandbox, I was finally going home for Christmas. I expected Christmas trees, hot toddies and more cookies than I could eat. But when I went to visit my old pal Rick, I got more than I bargained for when Ruby, his little sister, answered the door.

Ruby "Brace Face"— only now she's all grown up and I can't keep my mind off of her — or my hands. I know it's wrong. I'm breaking every bro code there is. But I can't help myself. I want her.

Ruby

I wasn't looking for a hero, but when Steven Maxwell showed up on my parents front porch, it was just in the nick of time. After my worst holiday season in history, Steven was just the distraction I needed to get me through New Years in one piece.

As long as my brother didn't find out, we were safe. Which shouldn't be that hard, except one night turns into two and gets me wishing I didn't have to return to my catastrophic life back in New York.

But that would be crazy, wouldn't it?

Unwrapped is a novella-length forbidden romance with a sexy Navy SEAL, no cliffhanger and a very *happy* ending. Intended for readers 18+ due to Kindle-melting scenes and other mature content.

For a limited time, Northern Lights - A Novel is also included in this Kindle edition for your reading pleasure!

Enjoy! xoxoxoxo

Great read!

Wonderful sweet and sexy Christmas story. I loved it from the beginning. Fun characters and a great storyline. I really enjoyed it.

Teresa Derrick says

A wonderful short story just in time for a holiday or any day !

Steven is a seal trying to get home for the holidays. Ruby is down on her luck but going home for the holidays. Ruby lost her job, was mugged, is losing her apartment, what else could happen? Maybe a romance with her brother's best friend is what is needed. The story is short, sweet, sexy, and swoon worthy.

Reviews

Steven Maxwell hasn't been home in four years for Christmas. He goes to his best friend d's parents house but is surprised that his sister opens the door and She has changed from "braces face" to beautiful . Both can't

seem to get over each other. She had went to New York, she had lost her job and got mugged. She decided to let her apartment be submitted and find somewhere to get a job. Both can't seem to get over and she puts applications where he lives and gets it and he takes a teaching job after getting in trouble

WoW ?Navy Seal.

OMG ?yeah who doesn't love a ?Navy Seal right ? Well I'm sure the best friends baby sister next door is his perfect match . You have to know when they book up after seeing each other for the first time in years where this is going ? I absolutely loved this Christmas love story and this is the perfect time of year to read it !

Stephanie Parker says

Loved, loved this book of a story of forbidden love, Max and Ruby will keep you reading to the last page. This is a short read about Max and Ruby who have known each other since childhood. However, Max is Ruby's brothers best friend and is off limits. Ruby just wants an escape from her life just until after the Christmas holidays so pursues Max and the story develops. This is a must read for the sweet sexy read it is a truly captivating holiday romance. Five stars is a given for this book.

Denise Van plew says

When I need my fix of a hot Seal who will melt me from the inside out this is a go to author. This one is a double plus because it is with the holidays in mind. I do not read many holiday themed unless it can by the storyline lasso me in like this one. I want a warm hearted with a bit of humor and HEA which she does deliver in this. When Steven and Ruby meet up again , that is when things get interesting and a bit risk ah it would seem. Especially since she is not so little anymore. This is a quick one to devour along with holiday treats cause you just have to keep your nose to it all the way until you see how it all turns out.

Alesia Bussey says

Unexpectedly delightfull!

I have a great respect for the military. The characters are so beleiveable and realistic. I felt a part of the family.

Mary Silvestri says

4 Stars

Great Christmas read!! Ruby and Steven are one hot.pair. They belonged together from the the start of the

story, hopefully just the beginning!!!

Shelly Celli says

Sweet read

I love the characters and their personalities in the book. Their chemistry is undeniably hot, and the way they start off sneaking around is hilarious. I really enjoyed this book and look forward to reading more.

Pamela Shorkey says

Great quick story

I loved Max and Ruby's story. My only complaint is that it was too quick. I have read this whole series and this was a nice addition.

Lynn Karnes Trahan says

It's one of those books where ??

Wow it's one of those !! I thought man how obnoxious!! He is a Navy seal kudos to him he gets to come home on leave at Christmas omg amazing!! He hooks up with his best friend's little sister OH NO THIS ISN'T GOING TO END WELL!! She sneaks out to see him and they end up having sex this I seen coming man's hot she knows what she wants ! They are both relaxing and enjoying the aftermath of mind-blowing sex. OMG He gets a call from his CO THIS REALLY ISN'T GOOD !! the ending and I won't be the spoiler but WOW JUST WOW HOW DID THIS END UP BEING ONE OF THOSE IT ALL JUST FELL INTO PLACE? She got a new job offer just before Christmas after being laid off 2 weeks before and WOW I didn't see it going this way GIVE ME MORE !!!

Favorite Quote:

"How did you get up here?" I asked, grinning at her red cheeks.

She smirked. "You're not the only one who can do badass shit."

I laughed. "And climbing a tree is badass?"

"Hey, it impressed you."

What Ruby didn't know, was that *everything* about her impressed me.

Karen says

Sexy Seal

Sex and more sex! The story line was brought out between the steamy hot sexy scenes. True love rules in the end.
