### **Moonwatch Only: 60 Years of Omega Speedmaster** Grégoire Rossier , Anthony Marquié

-A new edition of this definitive book, marking the 60th anniversary of the Speedmaster -Includes new features and additional historical information -The OMEGA Speedmaster Professional - the Moonwatch - has done things that no other timepiece has done and it has been worn in places that only a few human beings have been.- - Captain Eugene Cernan, last man on the moon -It is an indescribable reference work and a true must-have for every Speedmaster collector.- - Forbes There are very few timepieces in the world that deserve a definitive and comprehensive book. The OMEGA Speedmaster Professional Moonwatch is one of them. Initially designed for automobile racing teams and engineers, the Omega Speedmaster embarked on a very different trajectory when NASA chose it to accompany astronauts heading for the Moon in 1965. Its involvement in the space adventure has propelled the Moonwatch to the top of the list of celebrated timepieces. After years of research and observation, the authors present a complete panorama of the Moonwatch in a systematic work that is both technical and attractive, making it the unparalleled reference book for this legendary watch. This new edition, marking the 60th anniversary of the Speedmaster, has been enriched with numerous new features and additional historical information.
