Winds of Change

Gilbert Morris

Winds of Change Gilbert Morris

The close-knit Stuart clan becomes personally involved in WWII when several members of its younger generation go off to fight. Will and Clint are strongly rooted in their Christian heritage, but Adam's life has been aimless and bitter. While he fights his toughest battle within himself, he endangers the men under his command. The three cousins' military exploits take them from the Arkansas hills to the jungles of Guadalcanal, from Hollywood to the forests of Germany. The Stuarts at home lean heavily on faith and family as they pray for their sons. Will the men return safely to the women and families who love them?

-- (originally *A Time for War*, 1997)

Diane Hill says

Couldn't Stop Reading

Gilbert Morris is superb at having his "people" presented with such reality you just have to continue their stories until you find out what ha pop pens to your new-found friends. I hate to come to the end of one of his books.

Southernbelle0326 says

#5 in American Century series

Kristy says

I liked the part about the young pilot...the rest was just so-so.

Joe White says

This book is preachy crap. The writing is stunted. The dialogue is wooden and most of a book that's supposed to be about a war is about the bible. I feel misled and pissed off. Never, never, ever will I read another piece of garbage from this crappy writer.
