William's Witch

Alyssa Day

William's Witch Alyssa Day

William's Witch: the second installment of a funny, sexy new paranormal romance series from New York Times and USA Today bestselling author Alyssa Day.

What happens when a centuries-old vampire who's allergic to magic falls for a very modern witch? Mayhem, madness, and romance!

>>William Pemberley woke up with a blazing hangover and realized that, yet again, he didn't know where or when he was.

The where was a fairly common occurrence and had been for at least the past few decades, so it didn't bother him all that much, but the when was a relatively new development, and he didn't like it at all.

He shot up through six feet of soil into the moonlit quiet of a church graveyard, landing in the middle of a standoff between a couple of knife-wielding thugs and a woman wearing a lopsided pair of plastic wings.

"A tuxedo? Really?" the woman drawled in a rich, sultry voice that made him think of aged whiskey and dark chocolate. She looked William up and down and curled her lip. "Isn't that a little old school?"

William glanced down at himself, mildly surprised to find that he was, indeed, wearing a tuxedo. He grinned at the butterfly. "Apparently, I had a very good time. What year is this?"

She snorted in a very unfeminine way that, oddly enough, turned him on a little. "2016. Vampires are out, shifters are in, hashtag it's a new world, baby."<<

[Author's note: this novelette – 14,000 words -- was originally published in the Taming the Vampire anthology, so if you have that one, you already have this and shouldn't buy it twice. Thanks!]

What they're saying about the Cardinal Witches:

"the most hilarious family ever created with a pen, or Word Program, or whatever." - Amazon reader review

"It was hilarious. I was laughing out loud because I couldn't help myself. This is the first time I have read this author, but it will definitely not be the last." - Roqui, Amazon reader review

"I "always" enjoy any book written by Alyssa Day and am "never" disappointed! This novella about Rose and Alejandro was fast paced, intense and jam packed with humor!!" -- Signi Siemens, Amazon reviewer

About the Author:

Alyssa Day is the New York Times and USA Today best-selling author of the Warriors of Poseidon and Cardinal Witches paranormal romance series and the Tiger's Eye Mysteries, a paranormal mystery series. Her many awards include Romance Writers of America's prestigious RITA award for outstanding romance fiction (as Alesia Holliday) and the RT Book Reviews Reviewer's Choice Award for Best Paranormal Romance novel of 2012. www.alyssaday.com

Sodapop13 says

Love the Cardinal Witches!

I really love this series. I would recommend reading them in order for maximum pleasure. This book has plenty of action and some sizzle, though it was fairly tame in comparison to the first novella. The only negative was there was a bit of a cliffhanger.

Brian Davis says

????

Good characters and an entertaining plot. The story doesn't really resolve, so hopefully there's more to come to wrap this up. I like the series, more actually than the Atlantean stories.

Sandy says

I read this in a Vampire series of books called "Until Dawn". I loved this short story and it lead me to the writer and her other stories.. I recommend this read. 5 Thumbs up.

Sheena says

Really more of a novella, but that's perfectly fine. This moves along at a cracking pace and is in turns hilarious and sexy, sometimes at the same time.

I love Alyssa's writing, the characters are so well formed, even in a short-ish story like this. Loved it.

Judy Lewis says

CUTE READ!!!

Title: William's Witch

Series: Cardinal Witches

Author: Alyssa Day

Designation: Book 2 of Series, Not Recommended As Standalone, Happy For Now #paranormalromance #witches #vampires

Reading Platform: Kindle Edition

My Rating: Four Magical Stars****

**This story was originally published in Taming the Vampire Anthology

This is only my second time reading Alyssa Day, so I'm a relatively new fan. I truly loved the first book of The Cardinal Witches Series, but I must admit I was somewhat disappointed with this story. Well, that's not

entirely accurate. I loved the premise and the characters but didn't like the ending, or lack thereof. It was rushed and there was no real resolution to the primary plot conflict, William's curse, therefore no happy ending. I would describe it as a kinda, sorta, maybe-deal-with-later happy for now. It's hard to explain without giving spoilers, but let's just say the author states at the end of the book we'd be hearing more about William and Amy in future books. I hope so because Day certainly didn't give their story a satisfactory ending. I've already purchased the third book of the series, Damon's Enchantress, so the jury's still out. But on the plus side, the story was well crafted and beautifully written with a wonderful cast of intriguing, quirky characters and lots of humor. Did I like this book? Yes, very much! Would I recommend it? Only if a reader plans to read the series. The first book had a delightful happy ending so maybe there's still hope for handsome, broody vampire William Pemberly and lovely, sassy witch Amyrillis Minerva Cardinal! Will I read this author again? Absolutely! And finally, was I entertained? Completely!

Laura says

Taming the Vampire Anthology

Amy is a witch who meets William, a vampire, in a cemetery. He is really attracted to her and starts stalking her. She agrees to let him hang around when he offers a million dollars for breaking a curse.

This seems like it should have been ok but Amy just seemed like a dolt and it got old really quickly.

Melissa says

2.5 stars

I liked the premise of this story and enjoyed the characters but it didn't have an ending - it just stopped.

Tina Gunther says

Vampire meets Witch. Romance ensues

Cursed vampire hottie seeks help from cute witch with weird family. Will they call truce before they extinguish each other? I hope there is more to the story.

Jen says

Witch and vampire

Amy and William. Such a fun story to get to know them. The interaction makes me laugh. I love the adventure to New York. I can't wait to read more the adventures.

Gay says

This is a wonderful story of Amy. She is a witch in a family of witches. William awakes to find her being mugged. He however, is allergic to magic. Follow along with them as they have a fun day while he explains why he needs her help. Romance is sure to follow.

Keoki Ki`Ili says

PI meets cursed vampire

Vampire meets witch and the sparks fly. William has no idea why Amy is having this effect on him. Amy didn't know vampires were real until William helped her out of a mugging. These characters are funny and the interaction between family members hilarious.

Monty Cupcake ? Queen of Bloodshed ? says

Read in the Taming of the Vampire Anthology.

I quite liked this little story. It's cute and sweet. I'd read more by this author.

Kevin says

A vampire meets a witch and is hired to rid him of a curse. The two have feelings for each other, which they only reveal grudgingly, out of fear of rejection. I was shocked at how short it was. Just when I was getting into the plot and characters, the book ended with promises of further adventures.

Jacque McGuire says

This book was going so well. I was really enjoying and then it just STOPPED! I don't understand the first book in this series had a beginning, middle, end and even an epilogue. I guess the author was just done.

Christine Hayes says

cute story
