Father Knows Best Lynda Sandoval

After a tumultuous junior year, best friends Lila Moreno, Meryl Morganstern, and Caressa Thibodoux plan to make the most of the summer before senior year. But those plans fall by the wayside when Lila's archenemy, Jennifer Hamilton, finds herself friendless and flailing in a mess of her own making. Meryl steps up to help...and drags Lila and Caressa along with her.

What was supposed to be a carefree few months morphs into a summer of girl power, growing up, and giving in to situations beyond their control. In the end, all four girls are tighter than ever and one step closer to tackling their all-important senior year.

Gavin Atlas says

Very enjoyable. Kind of low tension/low stakes, but definitely a feel good book. The main character starts off annoying, but she goes through a great transformation with the help of friends and her dad. I recommend it.

Heidi says

Overall I enjoyed the story, had a good ending, but unfinished. Wonder if it's a set up for book 3.

Stephanie says

I was lucky enough to get an ARC of this book so that I could give a cover quote. It was so cute!

Kacey says

This book doesn't have an arc which is annoying. And dumb. As a sequel I have no idea why it was written except to show everyone that these characters are now FLAW FREE individuals which is ridiculous.
