Summer in a Small Town: Welcome to Icicle Falls\Treasure Beach Emilie Richards , Sheila Roberts

Two unforgettable towns, two touching stories...

Welcome to Icicle Falls by Sheila Roberts

It's the 1960s and Muriel loves the beautiful town of Icicle Falls, Washington. Life is good, except that her father expects her to run Sweet Dreams, the family chocolate company, when he retires. But she has sweet dreams of her own, dreams about a handsome stranger who comes to town....

Decades later, Cass Wilkes lands in Icicle Falls as a single mom with little money. But this small town has a way of giving people second chances they don't expect!

Treasure Beach by Emilie Richards

Life on Happiness Key is lonely for eleven-year-old Olivia Symington, so when she finds a message in a bottle on Treasure Beach, her interest is piqued. Someone needs help, and she knows what that's like. Maybe by helping she can even find a friend.

The women of Happiness Key are worried about Olivia and her fascination with the message. But they know how isolated she feels, so they set out to help her find the mystery correspondent?and maybe a little happiness of her own along the way.

Jean says

A Small Taste

This book was a teaser for the stories to follow - enough said to whet my curiosity but not enough to make me run right out to buy the books.

Cathie says

Good stories

I loved them both. Sheila Roberts prequel to Icicle Falls was delightful!! And Emilie Richards story of Olivia was great!!! I've never read her before, but I'll look for more by her.

David Bailey says

This novella is an introduction to some of the characters in Better than Chocolate and Merry Ex-mas. It gives you background on some of the major characters in the books that follow. It is a good story by itself, but serves primarily as background for the following books. Hopefully the author will continue the Icycle Falls series beyond the first 3 books. There is no explicit sexual content, but we see when the mutual attractions hit sparks that the women say they do not want to feel, but cannot get out of their minds and dreams! We just do not know until the end of Better than Chocolate how the main two characters get together. I have just started Merry Ex- mas, but it deals with some of the main women as they confront their ex husbands at Christmas time, at least one of which should never have been divorced. This has a new twist--the husband was NOT having affairs, but his wife refuses to even listen to his side of the story. They both still love each other, so we will see where it goes.

Lindy says

Book 31

Anna says

Two sweet stories of friendship and love. Both are novellas of other books.

Karen Benson says

Kind of cheesy but I have progressed to the next in the series "Better Than Chocolate" and like it much better.

Mary says

Very good

Both authors brought out the true meaning of small towns and true friends. Both stories were well written and made me think.

Stephanie says

Good set up for the Icicle Falls series and Treasure Beach was nice little snippet of a story.

BJ says

Novella introducing Icicle Falls, town in several of Sheila Roberts' books. Also second novella by Emilie Richards including characters from her Happiness Key series. Both enjoyable reads.

Lori says

Nice little short story about Icicle Falls.

Bibliobabe says

nice intro story to icicle falls series

Teena in Toronto says

There are two short stories in this book.

"Welcome to Icicle Falls" is an introduction to Roberts' Icicle Falls series. It is the sixth book I've read by this author (and the fifth the Icicle Falls series that I've read) and I liked it. It is written in an interesting style ... Muriel and Dot are narrators and at times they are talking to you AND to each other. Muriel tells of when she was a teenager growing up in Icicle Falls. She had to work in her dad's chocolate company while her friends had a fun summer off. A stranger arrives in town on a motorcycle and catches her eye. Dot tells the

story of Cass, a single mom of three, who lands in town when her car breaks down, never leaves and makes a new life there.

"Treasure Beach" tells the story of eleven-year-old Olivia whose best friend has just moved from their small town. Plus her mother is dead and her father is in prison and she's living with her grandmother. She finds a bottle one day at the beach with a message from someone who is looking for help and she sets out to find out who it is. This is part of the Happiness Key series, which I haven't read.

It's a quick read with feel-good stories.

Lea says

'Welcome to Icicle Falls' is an introduction to the Icicle Falls series, we're introduced to a few (I assume) key characters - Muriel, Dot and Cass - as well as being introduced to Icicle Falls (based on Leavenworth, WA). Loved the set up as if the author, Ms. Roberts, asked to of her characters to show us around and get us acquainted with the town.

'Treasure Beach' is a look at Happiness Key, a series I haven't read. This novella tells of a young teen who feels everyone will leave her. Her adult friends gather and her and she makes a new friend.

Sherri says

An enjoyable short story connected to the Icicle Falls series. It's best read shortly after reading other Icicle Falls books as I read this months after reading the first Icicle Falls book and it was hard to remember characters.

Darlene says

2 warm stories by 2 warmhearted authors of which I really enjoy their writing. Enjoyed both of them.
