No Mercy Cheyenne McCray

Stories in the “Lawmen” Series

Book 1: Hidden Prey

Book 2: No Mercy

Book 3: Slow Burn (short contemporary)

Book 4: Point Blank

Over twenty years ago, when she was just a teenager, Belle ran from everything she knew to escape her abusive stepfather. She left behind the boy she loved and a circle of friends who had been like family to her since childhood.

Now, years later, the death of one of her close friends brings her face-to-face with the boy she had to leave. Only now he’s not a boy anymore.

Dylan has never gotten over Belle running away all those years ago. When Nate—one of their Circle of Seven childhood friends—is found dead, Belle and Dylan are drawn back together. It’s not long before he realizes he has a second chance to make her his.

The second reason Belle left could ruin any future she might have with Dylan. The secret hangs over her head while she falls in love with him all over again.

When a dangerous drug cartel starts targeting the Circle of Seven friends, Dylan must use all his federal law enforcement training and contacts to stay one step ahead. He must solve the clues Nate left behind before all of them end up dead.

Contemporary Romantic Suspense

Bisbee, Arizona

Belle ran away over twenty years ago when she was just a teenager. She ran from everything just to escape her abusive stepfather. Left behind was a circle of friends that were like family and the boy she loved, all of whom she had known since her childhood.

Now she is back years later after the death of one of her close friends. It also brings her face to face to the boy she left behind. Only now he is a man and no longer a boy.

Dylan never got over Belle leaving years ago. Nate, one of their Circle of Seven friends, dies which draws Belle and Dylan together again. Dylan soon realizes he now has a second chance to make Belle his.

Belle had a second reason for leaving Dylan, a reason that just might destroy any chance at a future with him. It is a secret that hangs over her as she falls in love with Dylan all over again.

Now a dangerous drug cartel is targeting the Circle of Seven friends. Dylan is going to need to use his contacts and his federal law enforcement training to stay one step ahead of the danger. Nate left behind clues and Dylan needs to solve the puzzle before they all end up dead.

This is the second book in a series that is proving to be very addictive. While each book can be read as a standalone readers will find reading them a lot more enjoyable when they are read in order. This one picks up a little while after the first one left off. This proves to be a story that will have readers wondering just how this is going to turn out for everyone. It will also have them wanting to read the next book in the series right away. This is proving to be series that readers will want to read and get addicted to.

Shireen Hakani says

Very interesting!

Tonileg says

Contemporary small town romance with some seriously damaged people that grew up together and everything explodes into death threats, beatings and murder when one of the 'Circle of Seven' friends returns home after many years away.

Belle is back in town. She is running into her childhood besties because Nate has died and they are going to figure out what really happened. Belle and Dylan are the main couple, but there is three different stories unfolding at the same time which makes fore a LOT of plot and twisty plot turns.

This is NOT a fluff romance story, there is domestic abuse, child abuse and rape as well as murder so please be in the right frame of mind when you jump in to this crazy fictional world.

3 stars

Season says

A really good idea and story, but parts missed the mark for me. I think Belle could have been a little brighter, especially with all she had been through. Other than that, it was really good and I look forward to the rest of the series.

Mags says

Really enjoyed this story, was hooked from the very beginning and didn't want to put it down when it came time to do things like dress or eat!! and can't wait to read Trace and Christie's story next. This one is definitely worth a read, and even though it's part of a series it can easily be read as a standalone.

Sony says

Exciting read!!

I really enjoyed reading this book. The author has given us an action packed story with lots of interesting characters. I felt the heroine was brave, smart, and strong; and who doesn't like a sexy lawman in a cowboy hat and boots? I do need to let other readers know that this book does touch on the subject of abuse and rape for those with triggers. If you like action stories with mystery than you will want to check this book out. I also felt this book could be read as a standalone.

Barbara "Cookie" Serfaty Williams says

No Mercy (Lawmen Book 2)

The love story of Dylan and Belle. 23 years ago Belle run away from an abuse stepfather and how she return after the dead of one of the CoS. Dylan return from a undercover assignment to find a friend has committed suicide. Now all the CoS are under attack. Can Dylan find who wants them dead and will he find out why Belle left? Good story.

Kellie says

Belle left Bisbee to save Dylan from doing something that would put him in prison. 20 years later the death of one of their COS has brought her back to town to face her demons and the broken heart of the boy she loved who is now a man. Dylan never forgot Belle he never understood why she up and left town. With the death of his friend who supposedly committed suicide can Dylan find out what really happened to his friend and why the girl he loved left.

Phe says

4 Stars - *No Mercy* is an adult romantic suspense thriller by Cheyenne McCray and the 2nd book in her *Lawmen* series.

Kerry says

Okay, let's start with the cover that is for certain to cause widespread covergasm!!! I have a thing for a well-defined arm, and this is just so.....ahem....on to the story.

Although *No Mercy* is the second in the *Lawmen* series, it can be read as a stand-alone book.

I am addicted to Romantic Suspense, and this book fed my addiction perfectly! Action, mystery, murder, and of course love.

Belle & Dylan's story goes back to their teen years. As a part of the "Circle of Seven" they were not only best of friends but, they became lovers too. Until a family members death, petty jealousy, and a misunderstanding sent them on separate paths in life. They come together again years later when a member of the "COS" mysteriously dies. Can they get past all that separated them years ago? Can Dylan discover the truth before it's too late? Will Belle's secret drive them further apart?

Once I picked up the book I could not put it down. This story kept me on the edge of my seat throughout it's entirety. Cheyenne McCray tells a fantastic story, and as always keeps me looking for more.

Avid Reader says

No Mercy (Deadly Intent, #2) by Cheyenne McCray

4 stars

M/F Mystery

Triggers: Suicide, Murder, Rape, Emotional Abuse

I was given this book for an honest review by Wicked Reads.

This is the first story that I have read in this series. The story is fast paced and well developed. I really liked the fact that the characters had more elaborate back stories, but that you didn't feel like you were ever playing catch up. McCray did a good job at keeping the reader caught up, without it feeling like you were

reading history.

Belle is running. She's running from her past and her present. When her good friend dies suddenly, she has to come back to a small town that she hates, but to the people whom she loves. It's a hard concept for her to get around - coming back to a place she despises and missing those people who she loves, but has neglected to keep in contact with.

Dylan is trying to figure out why his friend took his own life. Nate was one of the friends that he kept in contact with and there was no indication that Nate was suicidal. Dylan's job makes him suspicious of the circumstances, but with all of their friends coming together, he has other things to worry about... He's about to see Belle again.

Together, Belle and Dylan figure out their past and hash out what happened. They are also on the run from some mystery person who is intent on killing everyone in their close circle of friends. With two more deaths among their circle of seven friends, Dylan and Belle have to work closely, in order to figure out who's out to get them.

Amidst all of the chaos that is surrounding them, Dylan fights again for Belle and solves her past so that they can move forward together. They rekindle the romance and relationship that once was torn apart - which was why I didn't give it quite 5 stars - their relationship started where they left off, almost back to instalove. I think that they needed more time to resolve their past.

Overall, this was a good mystery, if not predictable, but a good story regardless.

Paul Forslind says

No mercy

Great read, even turned off the football game and enjoyed the story. Looking forward to the next story soon I hope

April Symes says

A gifted copy was provided by the author for an honest review

This is a story that is about murder, second chances at love and things you want to do over to make them right finally . And who best can give that kind of story to you than Cheyenne McCray.

20 years ago Belle ran away from her group of friends, and her boyfriend, the boy she loved, the man she was going to marry because she was being sexually and physically abused by him. She knew if she told Dylan, she would murder her step father. So she ran...and left everyone behind. Fast forward 20 years to Dylan , who is now in law enforcement , who comes upon the scene of the death, supposedly the suicide of the of their friends- the group of friends who all went by the "Circle of Seven". Dylan is devastated. He cant believe that his friend would take his own life. His friend was someone who would never take his own life. Dylan starts probing the death. In the meantime, everyone else of is part of the COS(circle of seven), starts getting a post card from the dead man and some sort of cryptic message.

Belle , who is living in another state, gets the phone call that their friend is dead, is asked to come for the funeral. She come back and is face to face is Dylan for the first time in 20 years. Memories come back and all of a sudden, its like they were never parted. But when it does come out that their friend was really murdered and one by one, the Circle of Seven friends are being murdered, it's a race of time to prevent Belle's death and to find out who is the murderer and to make sure that Dylan and Belle get a second chance at happiness.

This was an engaging read. I couldn't put my Kindle down. I was on the edge of my seat and there were twists that I didn't see coming until it was right there. The ending was extremely satisfying and I hope to read more in this Circle of Seven group. Fantastic Read!

My rating: 5.0 stars *****

Julie says

It took me forever to get into this book, but I powered through and actually ended up enjoying the story.

Linda Strong says

They called themselves CoS Circle of 7. They had grown up together, this motley crew. All had grown up to be successful in their own right.

One has committed suicide; at least that's what everyone is supposed to believe. Dylan Curtis, a special agent with the Department of Homeland Security found his friend Nate hanging. Battling through the pain, Dylan notifies the others that one of them is no more. The last call he makes is to Belle, his high school sweetheart, the one who ran away as a young teenager and has stayed away for 20 years.

Nate was involved in something and he mailed postcards to each member of the circle before he died. Now it's up to Dylan and Belle to decipher all the clues which point to Nate's killer.

There are secrets and lies among the group. One knows much more than the others...and stays silent. Then another member is killed. And although Dylan and Belle are reconnecting, Belle has a secret .. and Dylan may never want to see her again. Who has a grudge against this group and Why are they being murdered, one right after the other?

I like a bit of spice and heat when I read Romantic Suspense. The author does a great job of balancing her books with explicit romance and a spellbinding mystery. Both add a great deal to the total storyline. The characters are finely drawn and I enjoy seeing them woven into all 4 books in this particular series. After all, who doesn't like a sexy cop who also happens to be a cowboy? Not me....
