Forbidden Pleasure: Part 1 (Bound Hearts) Lora Leigh

Welcome to The Club. A secretive, select group where uninhibited desires and forbidden fantasies run wild, in the first part of #1 bestselling author Lora Leigh's novel FORBIDDEN PLEASURE, now in an exclusive e-serial. John "Mac" McCoy gave up his membership to The Club a long time ago. Nothing gave him greater pleasure than to share his women with another male partner. That is, until he married Keiley Hardin. Tempting but innocent, sexy yet sweet, Mac knew Keiley would not be aroused by his desire to share her. But as his lust to fulfill his darkest fantasies burns hotter, Mac is bent on showing Keiley the pleasures that can only be found when two men love one woman.

Decent read

Was a different author than I normally read was well described but I felt the book end abruptly then to start off with part 2 when I felt part 1 wasn't quite finished

It was getting interesting. FBI agent vs terrorist-linked hottie. Then the book ended and I can't find book two at my library or bookstore. Ugh. Search continues.

Am I missing something?

The author introduces the characters and their fantasies...

The club membership and what happens is not fully explained but left for the imagination. Nothing really develops here except Jethro's vacation visiting the farm. Mac & Keiley's relationship and marriage seems good and prosperous but is it going to suffer? I guess one must read the sequel. Expected more, but not a bad read...

...Sex...Intrigue...Menage...that ends with a cliffy...an introduction, so will review after reading the series! ;)
