Lots of info on the new social media platforms. Can be read as a stand alone book - don't need to read 1st edition first. Good for both USA and Canada. Full of tips and how to avoid traps.

I found the tips in this book both interesting and helpful. I'm still waiting to win a car but that could happen any day now!

I entered the drawing for this book after watching the movie "The Prize Winner of Defiance Ohio".

I received this book from a Goodreads giveaway.
