Goodnight Kiss

R.L. Stine

Goodnight Kiss R.L. Stine

Goodnight Kiss 1 Matt and his girlfriend, April, are plunged into a horrifying world of endless night when they encounter the vampires of Sandy Hollow. April is lured away from Matt when a vampire controls her -- hypnotizes her with his strange, intoxicating kisses. Now Matt must save April, before she gets her final goodnight kiss. Goodnight Kiss 2 Bill has been to Sandy Hollow before. This summer, he's returnign to the little resort town -- but not for fun in the sun. He is searching for creatures of the night -- the vampires who prey on the tourists there. Billy's girlfriend was one of those tourists -- until the vampires killed her. Now Billy has vowed to destroy them all -- even if he must join them trying. Plus a new vampire story by R.L. Stine: The Vampire club Pete Kelly has left Fear Street and come to a new school -- Forest Grove High -- so he's eager to make friends. Then he meets Nan Garner, a gorgeous girl who invites him to join a club. Sounds good, Pete thinks. Until he discovers the club's terrible secret. And their plan to make him a permanent member.

I've been slowly making my way through the Fear Street books over the past year. Sometimes I get lucky enough to find a book that has a few of them in one book. However, with this particular one, I almost wish I hadn't bothered reading the stories. I am fully aware that these books are written for a younger audience and I read much of the series while I was still in elementary school. But that doesn't mean I can critique things that are ridiculous in the stories or still provide a valid review.

I don't remember reading these particular books as a child, but I'm sure if I had, I would have probably loved them because they were all about vampires. If there was one paranormal creature I've always had a fascination with, its vampires. However, as an adult, I found myself extremely annoyed by how all of the vampires referred to blood as nectar. It's even more annoying when they are whining because they need nectar. It just became redundant and with the plots already been extremely thin, these were just not good Fear Street books. Let alone being worthy of being a super chiller (or more accurately both are.)

Goodnight Kiss

Matt and his girlfriend, April, are plunged into a horrifying world of endless night when they encounter the vampires of Sandy Hollow. April is lured away from Matt when a vampire controls her - hypnotizes her with his strange, intoxicating kisses. Now Matt must save April, before she gets her final goodnight kiss.

If there is a book that makes you want to bang your head against the wall, it would be this one. Typically I hold these books to the standard of rating that I would expect from my younger self. But I would like to believe, that the vampire fan I was, I would not have been impressed by Jessica and Gabri's constant whining about needing "the nectar." ... [Read More](#)

Goodnight Kiss 2

Billy has been to Sandy Hollow before. This summer, he's returning to the little resort town - but not for in the sun. He is searching for creatures of the night - the vampires who prey on the tourists there. Billy's girlfriend was one of those tourists - until the vampires killed her. Now Billy has vowed to destroy them all - even if he must join them trying.

As I went into this book, I was prepared for a lot of eye rolling. After all, the first book had the vampires all consistently called blood "nectar." Which may I say, is such a ridiculously stupid way to refer to blood. It would be fine if it was a phrase one specific vampire used. But they all use it and they all use it *all* the time. Fortunately, this book doesn't use the phrase as often, but it is still the only way the vampires refer to blood... [Read More](#)

The Vampire Club

Pete Kelly has left Fear Street and come to a new school - Forest Grove High - so he's eager to make friends. Then he meets Nan Garner, a gorgeous girl who invites him to join a club. Sounds good, Pete thinks. Until he discovers the club's terrible secret. And their plan to make him a permanent member.

I'm not sure I could even classify this tale as a short story. At 18 pages, it's barely a few short chapters. Which is sad, because there's actually a pretty good idea behind this. If I had to choose one of the plots from this book, this is the one I wish R.L. Stine had flushed out more. I mean, even when you read the description, it sounds taunting and the truth is, he provides a great twist at the end. But as I said, it's really short and it's a shame, because this could have made a great Fear Street novel.

Caitlin says

The Goodnight Kiss Collectors Edition (Fear Street , Includes 2 Super Chillers Goodnight kiss and Goodnight Kiss 2) by R. L. Stine (1997)

Sara says

I somehow randomly remembered that there was a Fear Street vampire book I read years ago and found this Collector's Edition(lol) with Goodnight Kiss 1 & 2 on half.com. Bwhahahaha, the dialogue in both books is pretty bad. Blood is "nectar" and that was really painful reading over and over. Of course, the last time I read Goodnight Kiss was when I was about 10 or 11 and no doubt thought it was so good/scary. It was most likely my first vampire book. Before now, I hadn't read Goodnight Kiss 2 and the plot was slightly worse than the first one. I LOL'd so hard when someone on here said R.L. Stine is Stephen King for 5th graders. That's so true and I read almost every friggin' one of his books back then. This book probably deserves only 2 stars but considering it's aimed at preteens/teens and for nostalgia's sake I gave it 3. The short story in the back of the book was far-fetched, but kept me interested enough to read it.

Amber says

I love this author what a blast from my past so much spine chilling fun lol :)

Sarah says

This book i have read way way in the past before i started goodreads....

I have read this book at least a couple times.. I cant really remember too much about them because its been about 16-17 years ago since i last read them..

I do know that this book was very creepy!!!

Majority of this author's books are good and this is just another one to add to list!!!

Katie says

Vampires aren't really my thing generally - so while this is a pretty solid, classic R.L. Stine novel, it didn't capture my interest much. Especially when today we're getting cool twists on the classic vampire, this feels

dull and unimaginative. They are the stereotypical vampires - no sun, turn into bats, mind cloud ability, etc.

It's geared towards the older teenagers, and I feel the writing style should reflect a little more sophistication than those for the tweens, like Goosebumps. Those are great for what they are, but for this book I expected a little more.

I remember liking it more when I was young, so perhaps I'm reading too much into it and for that age group it's still a good read, but I don't plan to pick it up again.

Madison Daviduik says

One of my favorite books in the history of EVER.

Tatiana says

They sound like bees when they say "I need the nectar."

Drucilla says

[Although, this seems to be thrown out t

Olivia.Poole says

It wasn't my favorite of his, but I liked it.

Dharia Scarab says

My love of reading started when i was young, and it gives me immense pleasure to provide books to Spread the Word Nevada, an organization that passes them on to children in the community. They are a terrific organization supporting an important cause. If your local I encourage you to check them out. For those living further a field, look in your own community, their may already be a similar program in place. And if not, you can always help start one.

<http://spreadthewordnevada.org/>

Myself, I go out on the weekends and shop thrift store and bulk book lots to rescue books and donate them. Sometimes I'll find a book I remember reading when I was young and will read it again before passing it on.

I don't rate these books using my normal scale, instead I give most of them three stars. This isn't a Criticism

of the book, simply my way of rating them as good for children.

Jaime says

I was a huge R.L. Stine fan in my early teens! I loved all the fear street books! They are what got me into reading again! :)

Christeen Waleed says

you never grow too old for one of R.L. Stine's chillers !!!

Ava Haine says

Obviously, this compilation is a fast read. Although Goodnight Kiss #1 would've bored me a lot if it wasn't for the handsome vampire. R.L Stine knows how to pull you deeper, tempting you to finish it. The author is a widely known thriller with glitter, and so just as when I thought I couldn't continue anymore because the story is so typical that it bores me that's when I realized I already finished part 1 and started reading the next part, Goodnight Kiss #2.

The second part is way better than the first. The twist, that you wouldn't see coming unless you paid attention on Goodnight Kiss #1 is the cherry at the top of every ice cream of the shop they're in. Now I don't want to spoil anyone but dear, the climax is captivating! It made me crave for what's going to happen next thinking that there are only a few pages left! Gosh! And of course, the ending. The ending is hilariously twisted! I kind of shipped the two characters and am really glad that it panned out alright, and then there comes the horror! R.L. Stine never fails to give you that GOOSEBUMPS, and boy was I completely lost on track when I thought the story is a LOVE STORY.

The Extra story is my FAVORITE, The Vampire Club. I can't explain how I laughed and at the same time got very excited and curious at its horrific ending. Questions like, What will happen to him? What will they do to him when they found out? And the everlasting stigma that humans will do anything stupid, vile and outrageous just to please their person of interest. How did R.L. Stine managed to give you all the feelings in just a few pages!?

I give it a FOUR because it surprised me, really, I wasn't expecting any of their ending, and because it made me crave for MORE! Yep, I am unsatisfied, in a good way.

Diamond Chambers says

I loved this entire book. The last story The Vampire Club, man was that a great short story.
