### **Timothy Boyd says**

Fantastic reprint of these Golden Age of Comics issues. The first appearance of such iconic characters as the Human Torch and the Sub-Mariner appear here. Great collection of rare comics. Very recommended

### **Jesse Hill says**

A fair dose of golden age comics goodness. This collection of "Marvel Mystery Comics" is nothing spectacular. Bill Everett's Sub-Mariner is the winner as usual but there are also decent outings from the original Human Torch and Vision.
