Super sexy step daddy stories

Well written for the most part with super sexy stories that are so deliciously naughty. I have never been one to have daddy issues but where is my super hot step daddy ;)

Steven Schaefer says

Interesting variety under this theme. Some better than others, but it's all a matter of taste.

Cassie Hess-dean says

Wow, a bunch of quick taboo stories that are just...HOT!! If you like that particular type of kink, this won't leave you disappointed.

Katherine says

With a collection like this your taboo fantasies will be forever catered for.

From siblings to step father's all the taboo naughty family secrets are here for the taking and I lived every single one. Each is a short story that are quick hot fun and dirty reads they leave you plenty of time to either read the other stories or take care of other business.

Shalamara Jax says

There are some incredibly hot stories in this collection, and, as you would expect, some that are not so good. In the middle a couple of the stories blend together. However, well worth the read.

Robin West says

Hot hot hot

This selection of stories was incredibly hot. I look forward to the next set. They just get better and better.

Kristy Dean says

Very good.

There was several good quick stories. This is a box set I would read again. I even added a few of the authors to my favorite lists as well as newsletters.

Soni Watts♥ says

A collection of short stories which proved to be not only a fast read-but quite interesting as well. I've never read a book like this before, and I'm sure I won't be doing it again in the near future. While this book was okay enough for me to finish it in its entirety, I must admit that the stories were pretty much so similar that I found myself doing quite a bit of eye-rolling. I honestly did not feel that there was enough variation between a few of the stories-thank goodness they were short. I also did not care for the tons of spelling and grammatical errors, and I actually found it quite distracting. Do not let my review deter you from reading this book. If you like taboo topics like the ones included in this book, by all means, dive in!

An Awesome Bundle!

I enjoyed reading Anything for the Man of the House.it was a collection of short stories about step-daughters who will do anything for their step-daddies! If you like to read about pleasure, then check out this little bundle, well worth your time, and your pleasure will go through the roof!

Bev Ross says

Sexy

Very hot! Naughty! Erotic ! I loved it! Taboo love is the best kind! I would recommend this book to everyone with imagination!

Jessica Gomez says

Hot reads.

TAMMY WRIGHT says

Out of line e bad girls

Typos, missing words, and some very bad girls. Good read if you like kinky and hot sex. For you then

Tashia says

some of these tales were quite disturbing, especially the last one which I did not fully read nor wanted to.

Michelle says

A multi-author collection of hot stepdaddy erotica. Well this was a fun read. Each story was a little different (although all within the same theme) and were quick steamy reads. A little set up, a great 'money shot' followed by a quick wrap up.

These really work great between longer reads, helps hit reset.
