This book was interesting and one that I enjoyed reading. Cathy Marie Hake always weaves an interesting story. For christian romantic fiction lovers this book won't disappoint.

Lovejoy is the type of character that makes you want to be a better person. She is inspiring, but also realistic.

An enjoyable read.

I have loved every story in the Chance Brothers series but this one tugged at my heart. What a wonderful story. Now on to the next book in the series.

Quaint. Found it hard to identify with heroine with her mountain ways.

I really like the Chance brothers and their family. I'll be sad to leave them at the end of the series.

I honestly think this is my favorite of the Chance brothers stories. I just adore Lovejoy!! And after all the pain Daniel has suffered and the horrible grief he's endured during the first three books its so beautiful to see him begin to heal and open up to people again!! Also, I love the whole MacPherson clan and their adorable little wives!! Sweet, sweet love story!!

Cute story. I laughed and cried in different places. One criticism is that the two year spoke in grown up complete sentences. Most two year old don't speak like adults.

Just Darling. Lovejoy will be added to my list of favourite fiction characters.

Fun, clean, and romantic. I really enjoyed this book. Fun story, and lovable characters. I thought the very ending was very rushed. Too quick to change her entire outlook on everything. But the rest of the story was great.
