Karley says

Needs more of a story

Needs more of a story, the egg search is fun for the kids. But would be more enjoyable to have a little rhyme about each egg and each friend.

Mary Librarian says

As a board book it is very simple like it should be text wise. The illustration are a little busy and the lighter colors might make it hard for a baby to focus during the egg hunt.

Miss Sarah says

A simple board book about the fish going on an Easter egg hunt. Any age group.
