Aimee Tariq says

Add to the enchantment of this book with a glass of wine, an array of amuse-bouche and carefully selected background music. Sit in a comfortable position and allow yourself to be enthralled in this world of luxury and beauty- let your imagination wander. How would these homes smell? Would they be filled with the smell of home grown citrus cut open mere seconds ago? Or the vanilla and sugar of freshly made cookies? Immerse yourself and enjoy each detail scrupulously crafted for your viewing pleasure.

Carol says

This is a beautiful collection of Homes that have been featured in Veranda Magazine. I would gladly climb inside any of the pages of this book and stay there forever.
