### 20 Difficult Things to Accomplish in this World: life's challenges according to Buddha Osho

"The Sutra of Forty-Two Chapters" is a succinct summary doctrine by which Buddhism was introduced to China. Each of the 42 sutras begins with "the Buddha said". This particular sutra deals with "20 Difficult Things to Accomplish in this World" and Osho takes us through each verse, and dissects it line by line, never omitting to explain--in clear modern terms--the real meaning of the verses.
